Mr. Bagby moved to forward the Resolution to the full County Board recommending its approval. Mr. Stoddard seconded the motion as presented. BEN GORDON CENTER QUIT CLAIM DEED TO MENTAL HEALTH BOARD
Mr. Hanson and Ms. Deanna Cada shared that since 1980 the DeKalb County Community Mental Health Board (MHB) as maintained the property at 12 Health Services Drive, DeKalb IL in conjunction with supporting mental health and substance use disorder services. Over the past year, the MHB has determined that it would be cost effective to sell the property and get out from under the requirements of property maintenance. While working toward this end, the MHB sought the opinion of the State's Attorney's Office, specifically David Berault, Chief of Civil Division. For many years, the MHB has operated under that assumption that the building at 12 Health Services Drive, DeKalb was owned by the MHB based on the following summarized information:

- 10/15/1975 – The DeKalb County Board passes a resolution that the Ben Gordon Community Mental Health Center will be owned by the Mental Health Board as enabled through Illinois House Bill 1423. 10/20/1975 – Per legal opinion, the building can be owned by the Mental Health (708) Board and the building leased to BGC.
- 7/13/1976 – The DeKalb County Board was questioned by the Ben Gordon Center board members as to who will own Ben Gordon Center. The County Board responded saying that the Ben Gordon Community Mental Health Center will be owned by the Mental Health Board.
- 8/16/1976 – Kish Health Services signs agreement to give the land at 12 Health Services Drive, DeKalb IL to the Mental Health (708) Board.
- 6/20/1977 – Chicago Title & Trust state they cannot issue the title to the Mental Health (708) Board because it is not a legal entity. The DeKalb County Board agrees to take title of the property for the sole use of the Mental Health (708) Board. A clause in the construction grant states the building cannot be transferred to another entity for 20 years or the grant must be paid back.
- 7/1977 – The Mental Health Board received title and deed to the Ben Gordon Center.

Per Mr. Berault's analysis, while he agrees with the concept that the property is owned by the MHB and exists for the MHB to utilize, it may be difficult to convey that the MHB is the clear-cut owner. The recommendation and the desire of the MHB is that the DeKalb County Board sign a quit claim deed in regard to the property, transferring it to the DeKalb County Community Mental Health Board in full. This will provide for a clean title and allow for the MHB to sell the property. The MHB is in the process of determining, by committee, how any funds from the sale of the property will be utilized both the original mission of the grant which built the facility and

within the scope of the MHB's mission to provide services to DeKalb County residents in the areas of mental health, substance use disorder and development disabilities.

Mrs. Emmer moved to forward the Resolution to the full County Board recommending its approval. Vice-Chair Frieders seconded the motion. Those voting yea were Mr. Bagby, Mrs. Emmer, Mr. Faivre, Vice-Chair Frieders, Ms. Leifheit, Mr. Plote, Mr. Porterfield, Mr. Stoddard, and Chairman Pietrowski. All Members voted yea. The motion carried unanimously by roll call vote.

Re: Appointment of Election Judges and Leading Political Party

According to the Illinois State Statutes (10ILCS 5/13) the County Board shall select and approve the proper ratio of persons to serve as Election Judges in each Precinct from the certified lists which have been filed with the County Clerk.

"Leading Political Party" means one of the two Political Parties whose Candidates for Governor at the most recent three Gubernatorial Elections received either the highest or second highest average number of votes. The Political Party whose Candidates for Governor received the highest average number of votes shall be known as the first leading Political Party and the Political Party whose Candidates for Governor received the second highest average number of votes shall be known as the second leading Political Party.

The ratio had not been re-configured since the 2016 cycle and upon examination it was determined that the ratios needed to be re-evaluated and corrected. Attached is a spreadsheet containing the new configuration and will be valid for the next two years, the current Election Judge cycle.

RESOLUTION 2020-42

RESOLUTION TO APPROVE A QUIT CLAIM DEED FOR THE TRANSFER OF THE BEN GORDON CENTER BY THE COUNTY OF DEKALB TO THE DEKALB COUNTY COMMUNITY MENTAL HEALTH BOARD

WHEREAS, the original land for the Ben Gordon Center was received from Kish Health Systems in 1976 and the Ben Gordon Center was constructed on this land in the late 1970's by the DeKalb County Community Mental Board from a Federal grant, and

WHEREAS, the Community Mental Health Board would now like to divest of the Ben Gordon Center to remove themselves of the requirements of property maintenance and to exchange the property asset to one that allows more flexibility in fulfilling their mission, and

WHEREAS, the DeKalb County State's Attorney's Office has recommended that because of the early ownership transactions, that were further complicated by the Federal Grant, it would be best for the County of DeKalb to approve a Quit Claim Deed to transfer the property so as to extinguish any ambiguities concerning the chain of title, and

WHEREAS, the County Board Executive Committee, noting the request for the Quit Claim Deed by the Community Mental Health Board, and the recommendation of the State's Attorney's Office that conveying a Quit Claim Deed would help assure a clean title chain, has now recommended that the County Board take such action;

NOW, THEREFORE, BE IT RESOLVED by the DeKalb County Board that the County Board Chair is hereby authorized to sign a Quit Claim Deed, conveying the property, commonly known as the Ben Gordon Center located at 12 Health Services Drive in DeKalb, IL, and further identified by the Property Tax Parcel #08-12-202-004, from the County of DeKalb to the DeKalb County Community Mental Health Board.

RE: Property at 12 Health Services Drive, DeKalb IL 60115

Dear Mr. Hanson;

Since 1980 the DeKalb County Community Mental Health Board (MHB) as maintained the property at 12 Health Services Drive, DeKalb IL in conjunction with supporting mental health and substance use disorder services. Over the past year, the MHB has determined that it would be cost effective to sell the property and get out from under the requirements of property maintenance. While working toward this end, the MHB sought the opinion of the State's Attorney's Office, specifically David Berault, Chief of Civil Division. For many years, the MHB has operated under that assumption that the building at 12 Health Services Drive, DeKalb was owned by the MHB based on the following summarized information:

10/15/1975 – The DeKalb County Board passes a resolution that the Ben Gordon Community Mental Health Center will be owned by the Mental Health Board as enabled through Illinois House Bill 1423.

10/20/1975 – Per legal opinion, the building can be owned by the Mental Health (708) Board and the building leased to BGC.

7/13/1976 – The DeKalb County Board was questioned by the Ben Gordon Center board members as to who will own Ben Gordon Center. The County Board responded saying that the Ben Gordon Community Mental Health Center will be owned by the Mental Health Board.

8/16/1976 – Kish Health Services signs agreement to give the land at 12 Health Services Drive, DeKalb IL to the Mental Health (708) Board.

6/20/1977 – Chicago Title & Trust state they cannot issue the title to the Mental Health (708) Board because it is not a legal entity. The DeKalb County Board agrees to take title of the property for the sole use of the Mental Health (708) Board. A clause in the construction grant states the building cannot be transferred to another entity for 20 years or the grant must be paid back.

7/1977 – The Mental Health Board received title and deed to the Ben Gordon Center

Per Mr. Berault's analysis, while he agrees with the concept that the property is owned by the MHB and exists for the MHB to utilize, it may be difficult to convey that the MHB is the clear-cut owner.

The recommendation and the desire of the MHB is that the DeKalb County Board sign a quit claim deed in regard to the property, transferring it to the DeKalb County Community Mental Health Board in full. This will provide for a clean title and allow for the MHB to sell the property. The MHB is in the process of determining, by committee, how any funds from the sale of the property will be utilized both the original mission of the grant which built the facility and within the scope of the MHB's mission to provide services to DeKalb County residents in the areas of mental health, substance use disorder and development disabilities.

Thank you,

Deanna L. Cada, Executive Director
DeKalb County Community Mental Health Board
