Property in this Township, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review.

Pursuant to 35 ILCS 200/10-115, the farmland assessments for the 2017 assessment year will increase by 10% of the preceding years' median cropped soil productivity index as certified by the Illinois Department of Revenue with data provided by the Farmland Assessment Technical Advisory Board resulting in a \$24.05 per acre increase for each soil productivity index.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact your township assessor's office to review the assessment.
2. If not satisfied with the assessor review, taxpayers may file a complaint with the DeKalb County Board of Review. For the Complaint Appeal Packet and the Rules & Procedures of the DeKalb County Board of Review, call (815)895-7120 or visit <http://www.dekalbcounty.org/BoardofReview>
3. The final filing deadline for your township is 30 days from this publication date unless the deadline falls on a weekend or holiday, then it is the next work day. After this date, the Board of Review is prohibited by law from accepting assessment complaints for properties in this township. For more information on complaint deadlines, call (815)895-7120 or see Publications and Deadlines at: <http://www.dekalbcounty.org/BoardofReview>

Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, call (815) 895-7120. Your property tax bill will be calculated as follows:

$$\text{Final Equalized Assessed Value} - \text{Exemptions} = \text{Taxable Assessment};$$
$$\text{Taxable Assessment} \times \text{Current Tax Rate} = \text{Total Tax Bill}.$$

All equalized assessed valuations are subject to further equalization and revision by the DeKalb County Board of Review as well as equalization by the Illinois Department of Revenue.
