FOR IMMEDIATE RELEASE

Tube TV Collection Reservation Full

The Health Department would like to thank all the residents who made a reservation to recycle their TV. At this time reservations are full. Michelle Gibson, Solid Waste Specialist, said residents that were not able to take advantage of this free program can either keep their TV until next year when another collection will be held, or pay DC Trash to recycle the TV. “It is \$20 for TVs under 19 inches and \$30 for those over 19 inches, and customers will receive a voucher for the same amount off of rental of a roll off dumpster” said Gibson. She added that customers can pay to recycle their TVs at ***DC Trash*** during their business hours at the customer’s convenience other than during the collection event on May 26, 27, and 28.
