## INTRODUCTION

If one is to accept as legitimate the premise that one of the most valuable DeKalb County resources is its employees, it logically follows that the coordination and administration of human resources is a major management responsibility that is central to the success of services delivery. Uniformity in accomplishing human resource objectives as well as the consistent administration of personnel functions is conditioned by the proper application of personnel policies. Policies are the rules established to assure the performance of functions in conformity with desired objectives. They also are a management tool designed to insure consistency in dealing with people and the activities of people.

- *(Revised 11/21/1984)*

Personnel policies are a necessary vehicle for communicating management attitude into employee action. Expediency in reaction to everyday work situations without the benefit of stated guidelines is at best fire-fighting, and is quite inadequate in perpetuating an orderly set of working rules.

- *(Revised 11/21/1984)*

Policy, in the general sense, is a long-range statement of objectives, which, if properly written, seldom needs change. Procedures, however, are short-range statements of technique designed to provide the methodology for accomplishing policy. Both operate in conjunction with each other, resulting in the necessity for a compatible integration of policy and procedure in the DeKalb County Personnel Manual.

- *(Revised 11/21/1984)*

This Manual has been prepared to assist the employees of the County in understanding and carrying out their duties, responsibilities, and privileges as County employees. The manual is not intended to create a contract of employment. The rules set forth here are not intended to cover every aspect of the County's operation; rather, it is hoped that this Manual will serve as a means of enabling each employee to gain a better understanding of his or her role in the County and the responsibilities to the residents of our County.

- *(Revised 11/21/1984)*

Please note that the County may from time to time add, change or delete a policy or practice mentioned in this Manual. While it is the intent of the County to promptly notify all affected employees of changes, unfortunately circumstances do not allow us to guarantee that prior notice can be given and the policy in effect at the time will simply have to govern. If you have any questions about any subject in this Manual, your supervisor will be happy to discuss them with you.

## CHAPTER I

### Classification & Compensation

#### 1.1.0.        **General**

- 1.1.1.        The essential purpose of the position classification and compensation plans for DeKalb County is to permit the County to recruit and retain the services of qualified employees by providing adequate classification and compensation treatment internally, and by placing the County on a competitive basis with other governmental and private organizations consistent with the availability of funds and the County's allocation of resources.
- *(Revised 11/21/1984)*
- 1.1.2.        To make our compensation system work, we need to evaluate the job content of each classification. The classification plan and its future administration shall provide the needed working basis for an adequate pay plan. DeKalb County's classification plan calls for classifying every position to one of the following categories: (1) Clerical, Labor and Service Schedule, (2) Administrative and Management Schedule, (3) Non-scheduled, Exempt Status, (4) Contractual.
- *(Revised 11/21/1984; 5/22/1988)*
- 1.1.3.        The basic function of the compensation plan is to provide a structure that shall enable DeKalb County to recruit and retain competent employees. This plan is designed to accomplish these goals by: (1) Compensating employees for work of varying responsibility, (2) Establishing methods of rewarding employees for outstanding service, (3) Facilitating adjustments to changing economic and employment conditions requiring changes in pay levels and inter-relationships, and (4) Establishing pay rates which compare favorably with those of public and private organizations competing for employee skills similar to those utilized by the County consistent with the availability of funds and the County's allocation of resources.
- *(Revised 11/21/1984)*

#### 1.2.0.        **Reclassification**

- 1.2.1.        Written requests for reclassification shall be prepared by Department Heads and forwarded to the Administrative Aide. Such requests shall set forth the reasons why reclassification is necessary. The Administrative Aide shall forward all requests with recommendations to the appropriate Committee. If approved, their request shall then be forwarded to the Government Operations Committee who shall recommend a new classification, based on job responsibilities, to the County Board.
- *(Revised 11/21/1984)*
- 1.2.2.        If an occupied position is reclassified to a lower grade, the wage shall remain the same or be adjusted to entrance level of the new grade, whichever is greater. If a position is reclassified to a higher grade, the wage shall be adjusted to entrance level of the new grade or to a wage ten (10) percent greater than the wage received on the date of reclassification, whichever is greater.
- *(Revised 11/21/1984)*

**1.3.0. Responsibility for Compensation Plan**

1.3.1. The Finance Committee of the DeKalb County Board shall exercise initiative for conducting regular reviews of County pay levels, annually or less frequently, to insure the adequacy of the compensation plan taking into account local and regional competitive employment markets, the availability of funds and the County's allocation of its resources. Such revision shall be made not only with respect to economic and employment conditions, but in response to changes in class structure as well as to recruitment and turnover experience. Adjustments to the County's compensation plan are dependent upon approval by the County Board.

- *(Revised 11/21/1984)*

**1.4.0. Clerical, Labor and Service Schedule**

1.4.1. Positions classified to the Clerical, Labor and Service Schedule shall be compensated at an hourly wage, and be eligible for overtime pay.

- *(Revised 11/21/1984)*

**1.5.0. Administrative and Management Schedule**

1.5.1. Positions classified to the Administrative and Management Schedule shall be compensated on a salary basis and not be eligible for overtime pay.

- *(Revised 11/21/1984)*

**1.6.0. Non-scheduled, Exempt Status (Appointive)**

1.6.1. A non-scheduled, appointed employee is a staff member of the DeKalb County Government whose condition of employment conforms to one or more of the following criteria:

- *(Revised 11/21/1984)*

1.6.1.a. Manages a principal service of the County Government under the general direction of the County Board or Forest Preserve Commissioners, or

- *(Revised 11/21/1984; 5/22/1988)*

1.6.1.b. Received non-scheduled status through resolution of the County Board and serves at the pleasure of the County Board

- *(Revised 11/21/1984)*

1.6.2. The compensation of non-scheduled, appointed personnel shall be established through evaluation with the appropriate authority. However, the salary shall be limited to the minimum-maximum compensation range recommended for the pertinent classification by the latest County Board-approved comprehensive classification/compensation survey.

- *(Revised 11/21/1984; 5/22/1988)*

1.6.3. The compensation of non-scheduled, appointed personnel shall assume and encompass periods of vacation and disability; the extent of such non-work periods shall be at the discretion and/or need of the employer. However, it is expected that the employee shall not absent himself from his duties for other than emergency purposes to the detriment of fulfilling his responsibilities or against the directive of a superior. Further, it is expected that the employee shall advise the appropriate oversight authority in advance of any planned, non-emergency absence to be of longer duration than five (5) consecutive workdays.

- *(Revised 11/21/1984)*
-

**1.7.0. Non-Scheduled, Exempt Status (Elective)**

- 1.7.1. The compensation of non-scheduled, elected personnel shall be established on a term basis by the County Board in accordance with State law. The salary shall be set, or minimum salary defined for setting the salary later, at the October County Board meeting in the year preceding the year in which the general election for the office shall be held. However, a definite salary shall be set no later than the October County Board meeting immediately preceding the general election for the office.
- *(Revised 11/21/1984)*

Such written justification shall at a minimum set forth the monetary amount and percentage above entrance level compensation accorded, and the specific reasons therefore. Employment above entrance level requires prior approval by the appropriate County Board Committee. Recognizing that Committee schedules may present problems when rapid replacement of personnel is required, Department Heads may request approval from the Chairman of the appropriate Committee by telephone with follow-up in writing.
- *(Revised 11/21/1984)*
- 1.8.2. After successful completion of the probationary period, a non-licensed nursing employee will be eligible for an additional \$.15 increase. Licensed nursing personnel may receive a 0 - 15% wage increase when they are hired or after thirty (30) days of employment.

## CHAPTER II Staffing and Manning

### 2.1.0. General

2.1.1. Staffing is concerned with fitting individuals with appropriate personal characteristics into the positions which best capitalize upon and maximize their characteristics. Manning is primarily concerned with the numerical distribution of personnel.

- *(Revised 11/21/1984)*

### 2.2.0. Recruitment and Selection

2.2.1. The paramount objective relative to recruitment and selection is to employ persons deemed to be well qualified for the job in question, and at the same time, insure that all candidates are evaluated without regard to race, age, marital status, handicap, sex, religious affiliation or any other artificial barrier.

- *(Revised 11/21/1984)*

### 2.2.2. Nepotism

#### 2.2.2.a. Definition

Nepotism is the practice of showing favoritism to individuals based on relationship rather than ability. Favoritism, in the context of employment with DeKalb County, may include, but is not necessarily limited to, favoritism shown in the hiring, promotion, transfer, or compensation of employees. It encompasses all favorable personnel actions including the initial hiring of an employee - where those actions are based in that person's relationships, not in their skills, abilities or accomplishments. Relationships, in the context of this policy, include not only blood relationships created by birth, marriage or adoption, but also relationships created by close friendship.

- *(Revised 11/21/1984)*

#### 2.2.2.b. Intent of the Policy

It is the intent of this policy to express the wishes of the DeKalb County Board that the practice of nepotism is a violation of the personnel policies of the County of DeKalb. It is the stated policy of the DeKalb County Board that, beginning with initial employment decisions and carrying through the tenure of employment with this employer, personnel decisions should be based solely on ability and qualifications. It is expected that officials at all levels of County government will recognize and be sensitive to conflicts created by personal and family relationships and that those officials should avoid not only these conflicts, but actions which present the appearance of such conflicts. This policy does not prohibit the employment, promotion, etc. of friends and relatives of existing or future County officials. It is intended to remove those conflicts which might arise when favoritism is granted to friends and family members or may appear to have been.

- *(Revised 11/21/1984)*

**2.3.0. Probation**

2.3.1. The employee's initial six months of employment constitute a period of probationary service. During such period, the employee is in working-test status. Consequently, during the initial six (6) months of employment, the employee may be discharged without notice, and without right of resort to the grievance process.

- *(Revised 11/21/1984)*

**2.4.0. Promotion**

2.4.1. The paramount objective relative to promotion is to promote a person deemed to be well qualified for the job in question, regardless of their race, age, marital status, handicap, sex, religious affiliation or any other artificial barrier. Promotion shall be at the discretion of the Department Head. On promotion, an employee shall receive a wage adjustment to entrance level of the grade assigned to that position he/she is being promoted into, or to a wage ten (10) percent greater than the employee's current salary, whichever is greater.

- *(Revised 11/21/1984)*

**2.5.0. Demotion**

2.5.1. Demotion becomes necessary when the employee either elects to accept a position involving less responsibility and a lower grade, or fails to demonstrate that level of responsibility or skill deemed requisite for the position held. On demotion, an employee shall receive a wage adjustment to the maximum level of the grade assigned to the position he/she is demoted into, or to a wage ten (10) percent less than the employee's current salary, whichever shall result in the lesser compensation.

- *(Revised 11/21/1984)*

**2.6.0. Manning**

2.6.1. The Department Head shall make a written request to the Committee of the County Board to which he/she regularly reports for a change in the number of positions authorized for the Department. Said request shall state the reasons for the recommended change. If new classifications are proposed for additional positions, a detailed job description must accompany the request. If additional funding for a transfer of appropriations to effect the change is required for the departmental budget, the request must also be reviewed by the Finance Committee. The Finance Committee shall forward its recommendation to the County Board.

- *(Revised 11/21/1984)*

**2.7.0. Lay-Off**

2.7.1. A lay-off may proceed from alterations in departmental manning resulting either from the Department Head's request or initiative of the County Board. In the event that a lay-off within a department becomes necessary, and after appropriate action by the County Board, such lay-off shall be effected by the Department Head in that manner that will best promote the interests of the County. In staffing for the new manning allocation, the Department Head shall take into account each employee's qualifications, past performance and length of service with the County. However, necessary reassignments must be in accord with the applicable provisions of the comprehensive classification and compensation plan, and with Sections 2.04 and 2.05 above. An employee laid off to effect compliance with the new manning allocations shall, for a period of six (6) months from the date of lay-off, be recalled to fill any position vacancy occurring within the department, provided such position vacancy is of the same classification as the position from which such former employee had been laid-off; or be extended an offer to be hired to fill any other position vacancy occurring within the department, providing such former employee shall possess the requisite qualifications for the position. Among multiple laid-off employees qualified to fill a position vacancy subsequently occurring, the Department Head shall recall or extend offers, as the case may be, first to that former employee being the most qualified, and thereafter in rank-order based upon qualifications to that former employee deemed least qualified. A laid-off employee recalled to fill a position vacancy classified the same as the position from which such former employee had been laid-off, shall be restored to the same terms, conditions and benefits of employment as enjoyed as of the date of lay-off. A laid-off employee hired again to fill a position vacancy classified other than the position from which such former employee had been laid-off, shall be subject to the same terms, conditions and benefits of employment as any candidate regularly recruited for the position vacancy occurring within the Department, and declined same or failed to accept same within three (3) work days from the date of such recall or offer to be hired, can the Department Head otherwise recruit for the vacant position.

■ *(Revised 11/21/1984)*

2.7.2. When a lay-off is inevitable, or there are substantive reasons for assuming that one may be necessary, it is the responsibility of the Department Head to advise affected employees at the earliest practicable time. Promptly after appropriate action by the County Board authorizing a lay-off, official lay-off notices shall be prepared and issued by the Finance Director on the written advice of the Department Head. It is the responsibility of the Finance Director to provide the employee being laid-off with a written notice of at least fourteen (14) days prior to the effective date of lay-off except for emergencies or other situations where it is not possible to give such notice.

■ *(Revised 11/21/1984)*

## CHAPTER IV

### Overtime

#### 4.1.0. General

4.1.1. Overtime compensation is available only to personnel in positions classified to the Clerical, Labor and Service Schedule. Personnel in positions classified to the Administrative and Management Schedule, and non-scheduled, exempt personnel are considered to be salaried employees not eligible for overtime compensation. Personnel on all three schedules may, based on specific duties and/or compensation levels, be exempt from the provisions of the Fair Labor Standard Act.

- *(Revised 11/21/1984; 10/16/1985)*

#### 4.2.0. Compensation at One and One-Half (1 1/2) Times the Hourly Rate

- *(Revised 11/21/1984)*

4.2.1.c. For time worked in excess of regularly scheduled hours in a day when the employee is called back to work after completing the regularly scheduled work period.

- *(Revised 11/21/1984)*

4.2.1.d. An employee may exchange paid overtime for compensatory time off if his supervisor or department head, or both, recognize this practice and agree to the arrangement prior to the performance of overtime. If a department head agrees to use compensatory time off in lieu of payment for overtime, accumulation shall be limited to 80 hours per person in any given year. As of November 30th of each year, employees who have compensatory time off on the books shall be compensated for that time at their current rate. No PHO's may be used until all available compensatory time off has been exhausted. A pay period is a two week period beginning at 12:01 a.m. April 14, 1985 and ending at midnight April 27, 1985 and each subsequent two week period. The decision of the department head shall be final. If compensatory time off is used as the method of paying for overtime, the overtime rate of pay will be one and one half hours of compensatory time off for each hour of overtime worked.

- *(Revised 11/21/1984; 10/16/1985; 1/15/86)*

## CHAPTER V

### Health, Education & Welfare Benefits

#### 5.1.0. General

5.1.1. Personnel are eligible and/or required to participate in several benefit programs by virtue of their employment with DeKalb County. Certain personnel are eligible for additional benefit programs as a result of their conditions of employment and/or prior military service. The benefits listed in this chapter are brief summaries only. The actual documents, insurance policies and/or statutes are controlling. (Revised 11/21/84)

#### 5.2.0. Health Insurance

5.2.1. Personnel who work 75% of a full time position are eligible to participate in the County's group health program unless the right to participate is expressly waived. The program provides both basic health and major medical plans. A waiting period may be required for health insurance on new employees. (Revised 1/1/90)

#### 5.2.2.

The total cost of the insurance for the employee is borne by the County. Should the employee elect to receive family coverage, the County will pay 100% of the cost, but in recognition of the substantial cost of such coverage, the County will require an employee contribution. The amount of such contributions will be set by the County Board. (Revised 11/21/84)

OUTDATED

5.2.3. Any retired employee age 55 years or older, who has eight years service with DeKalb County, may elect to retain coverage under the county's major medical group plan until eligible for Medicare. All premium costs will be paid by the retiree to the County of DeKalb for individual and/or family coverage. Eligible spouses and dependents may, at their own expense, continue coverage for up to 36 months following the loss of coverage when an employee does qualify for Medicare. (Revised 11/21/84, 5/22/88)

5.2.4. Employees who lose eligibility through termination or reduction in hours, may elect to continue coverage, at their own expense, for up to 18 months subsequent to this reduction. (Revised 1/1/87)

5.2.5. Eligible spouses may elect to retain coverage, at their own expense, following the death of an employee or divorce from an employee for up to 36 months. (Revised 1/1/87)

5.2.6. Eligible dependents who suffer the loss of coverage due to having reached the limiting age (21), getting married, or dropping out of school may, at their own expense, continue coverage for up to 36 months.

- *(Revised 1/1/1987)*

5.2.7. There is a 2% administrative fee for COBRA insurance to be added to the premium.

- *(Revised 1/1/1987)*

### **5.3.0. Illinois Municipal Retirement Fund**

5.3.1. Personnel of DeKalb County are required to participate in the Illinois Municipal Retirement Fund (IMRF) if their position normally requires six hundred (600) hours or more of work in a twelve-month period, unless they are sixty year of age or older and have not previously been subject to the IMRF. However, elected officials who meet eligibility requirements may waive their right to participate in the IMRF.

- *(Revised 11/21/1984)*

5.3.2. Contributions to the Illinois Municipal Retirement Fund are made by both the County and the employee. Contribution to the IMRF begins the first day of employment.

- *(Revised 11/21/1984)*

### **5.4.0. Disability**

5.4.1. Personnel of DeKalb County are covered by the Worker's Compensation Act of the State of Illinois. An employee who becomes disabled due to a work-related incident as defined by the Act shall receive those payments that the employee is entitled to under the Act.

- *(Revised 11/21/1984; 5/22/1988)*

5.4.2. A disabled employee, who is under the age of sixty-five and has contributed to the IMRF for at least one (1) year immediately preceding the date of disability, may be entitled to receive disability payments from the Illinois Municipal Retirement Fund following the initial thirty (30) calendar days of disability. To be eligible for IMRF disability payments, the disability does not necessarily have to result from a work-related incident. However, the employee may elect to use accumulated Paid Hours Off in lieu of benefits from IMRF.

- *(Revised 11/21/1984)*

5.4.3. An employee who becomes disabled as a result of a work-related incident shall be entitled to receive County-paid health insurance coverage for a period of time equal to one-half (1/2) of the employee's credited service, but no longer than twelve (12) months. The employee must continue contributions if family coverage is elected. An employee who becomes disabled as a result of a non-work related incident shall be entitled to continue health insurance coverage as long as his/her employment with the County continues, provided that the employee reimburses the County for the total cost of such coverage.

- *(Revised 11/21/1984; 5/22/1988)*

- 5.4.4. Exempt employees who become disabled may receive 100% of salary for two (2) years with the County paying the first month and the subsequent 23 months being paid 50% by IMRF and 50% by insurance. The cost of said insurance shall be shared 75% by the County and 25% by the exempt employees who elect to participate.

■ *(Revised 4/15/1987)*

**5.5.0. Educational and Educational-Incentive Benefits**

- 5.5.1. Full-time personnel employed by the County for at least one (1) calendar year, shall be reimbursed 75% up to \$300.00 per fiscal year for the cost of tuition and books for approved courses taken at accredited institutions of learning. Successful completion of such courses must be demonstrated prior to reimbursement.

■ *(Revised 11/21/1984 5/22/1988)*

- 5.5.2. Courses for which reimbursement may be made shall be limited to those which can directly benefit the employee's job performance. Prior to the employee's enrollment in a course, the Department Head shall present justification on the desired course to the appropriate County Board Committee for approval. Approval shall be contingent upon there being sufficient funds in the Departmental budget to provide for reimbursement.

■ *(Revised 11/21/1984)*

- 5.5.3. Regardless of whether reimbursement is asked for, an employee may petition his/her Department Head for permission to attend beneficial courses during work hours. If the Department Head determines that the benefit to be derived by the employee and the county exceeds the detriment to effective and efficient operations, then the Department Head may excuse the employee from work to attend the course, or allow the employee to "make-up" the lost work time.

■ *(Revised 11/21/1984)*

- 5.5.4. Deputies of the Sheriff's Department are entitled to receive Educational Incentive Pay for completion of approved college and/or university course-work. Remuneration shall be at the rate of \$12.50 per month additional for each year of college and/or university course work completed. ■ *(Revised 11/21/1984)*

- 5.5.5. Under the Law Enforcement Program (LEEP), County employees of criminal justice agencies may be eligible to receive reimbursement for educational expenses. ■ *(Revised 11/21/1984)*

**5.6.0. Social Security**

5.6.1. Personnel are enrolled under the Federal Old Age and Survivors Insurance Law by contributions through payroll deductions. The county also contributed to Social Security for each employee. Through Social Security, the employee is provided with protection for him/herself and his/her family when the employee reaches retirement age, suffers a loss of earnings because of a severe long-lasting disability, or on death.

- *(Revised 11/21/1984)*

5.6.2. Individuals normally become eligible for Social Security payments at age sixty-five. However, they may become eligible for benefits at an earlier age. Payments made under Social Security are not automatic; they must be applied for.

- *(Revised 11/21/1984)*

**5.7.0. Public Safety Officers' Benefits Act of 1976**

5.7.1. The Public Safety Officers' Benefit Act authorizes the Law Enforcement Assistance Administration (LEAA) to pay \$50,000 death benefit to the eligible survivors of a public safety officer who dies as the "direct and proximate result of personal injury sustained in the line of duty." No benefit is to be paid if death is caused by the intentional misconduct of voluntary intoxication of the officer, or by suicide. No payment may be made to any person whose actions were a substantial contributing factor to the death of the officer. Deaths resulting from occupational illness or chronic disease are not covered by the Act.

- *(Revised 11/21/1984)*

5.7.2. Once the Law Enforcement Assistance Administration approves a claim, the \$50,000 benefit shall be paid in a lump sum as follows:

- *(Revised 11/21/1984)*

- *(Revised 11/21/1984)*

5.7.2.c. If there is no surviving spouse, to the child or children of the officer in equal shares;

- *(Revised 11/21/1984)*

5.7.2.d. If none of the above, to the dependent parent or parents of the officer in equal shares.

- *(Revised 11/21/1984)*

5.7.3. When the LEAA determines upon a showing of need and prior to taking final action that a benefit shall be paid, an interim benefit payment not exceeding \$3,000 may be made to the eligible survivor(s). Benefits paid are not subject to federal taxation, nor to attachment or execution.

- *(Revised 11/21/1984)*

- *(Revised 11/21/1984)*

#### **5.9.0. Professional Liability Insurance**

- 5.9.1. Personnel of DeKalb County are protected by the County's self insurance program suits arising out of their omission and errors on the job.
- *(Revised 11/21/1984; 12/17/1986)*
- 5.9.2. The County Board has adopted the following policy with regard to certain public officials liability:

The County of DeKalb shall defend all elected and appointed officials of the County against any tort, professional liability claim or demand or other legal action whether groundless or otherwise, arising out of an alleged act or omission occurring in the performance of the official's duties. The decision to compromise, settle, litigate or appeal any such claim or demand, shall not be made without the express written approval of the elected or appointed official. The County shall have no duty or obligation under this paragraph if the Official fails to notify the County promptly upon the official's actual notice of an impending claim or lawsuit. The County shall save harmless and indemnify said officials against any such claim unless and until a court finds that the official's misconduct was willful or wanton, in which case the County shall not save harmless or indemnify the official.

- *(Revised 11/21/1984)*

#### **5.10.0. Mileage Reimbursement Rate**

- 5.10.1. Personnel who use a privately owned vehicle in the conduct of County business are eligible for reimbursement for mileage driven at a rate equivalent to the amount approved by the U.S. Internal Revenue Service for deduction on the federal individual income tax return. Changes in the IRS approved amount for deduction shall become effective for County reimbursement on the first day of the next month following the announcement of each change by the IRS. Determination of the IRS approved amount for deduction shall be the responsibility of the Finance Director.

- *(Revised 11/21/1984)*

### 5.11.0. Deferred Compensation Plan

5.11.1. Most personnel are eligible to participate in the DeKalb County Deferred Compensation Plan, an element of the National Association of Counties (NACo) Deferred Compensation Program. The Plan calls for a written agreement between the participating employee and the County providing for the deferral of a specified amount of current earned income, and the payment of such deferred amount and all accumulations thereon at a later date, presumably after the employee's retirement or in the event of a personal catastrophe, when the employee would be subject to a lesser income tax liability. The amount deferred is not included in the employee's income for income tax purposes at the time of earning, but rather will be taxable as to the amount distributed to the employee in each calendar year. The Plan affords the employee multiple options for the investment of deferred income, until the amount deferred and all accumulations thereon are distributed. Basically, the Plan offers the employee the opportunity to design a supplemental retirement program based upon the benefits of investing pre-tax dollars and reducing current earned income for income tax purposes.

■ *(Revised 11/21/1984)*

5.11.2. For exempt employees, on the individual's position anniversary date, as a percentage of salary base, the deferred compensation program is adjusted based on years of service in an exempt position to more closely match the PHO accrual system:

a.	0-1	0%
b.	1-7	3%
c.	8-14	4%

- *(Revised 11/21/1984)*

#### **8.3.0. Grievance Filing Procedure**

8.3.1. These procedures are intended to encourage open communication between employees and their supervisors. The goal of swift resolution can best be achieved if employees will present their grievance verbally to their immediate supervisor. This should be done as soon as the cause for the grievance is known, but not later than five (5) work days from the occurrence or circumstance. The immediate supervisor should respond verbally as soon as possible, but again no longer than five (5) work days from receipt of the grievance. Many, if not most grievances, are resolved swiftly in this informal manner.

- *(Revised 11/21/1984)*

- 8.3.2. Grievances that cannot be resolved verbally shall be filed in writing with the employee's immediate supervisor within five (5) work days of the incident or after the employee became aware of the circumstances or events giving rise to the grievance. The immediate supervisor shall provide an answer, in writing, within five (5) work days after the grievance is filed.
- *(Revised 11/21/1984)*
- 8.3.3. If the grievance is still not settled at Step 2, the employee may appeal by referring the written grievance to the Department Head within five (5) work days after the immediate supervisor's response in Step 2. The Department Head and the supervisor shall discuss the grievance with the employee at a time mutually agreeable to the parties within the five (5) work days. If no settlement is reached, the Department Head shall provide a written answer to the grievance within five (5) work days following the meeting with the employee.
- *(Revised 11/21/1984)*
- 8.3.4. If the grievance is not settled in Step 3 and the employee wishes to appeal the grievance further, the employee shall assume the responsibility of referring the written grievance within five (5) work days to the appropriate Committee of the County Board or to a Grievance Committee which may be established within a department of county government by the appropriate County Board committee to hear grievance cases. A meeting between the Board committee or the Grievance Committee and the employee, the employee's representative (if applicable), the immediate supervisor and the Department Head shall be held at a time mutually agreeable to the parties but not to exceed twenty-three (23) work days after the grievance is presented to the Committee. If no settlement is reached at the meeting, the Committee of the County Board shall provide the employee with a written answer to the grievance within five (5) work days following the meeting.
- *(Revised 11/21/1984)*
- 8.3.5. If a department, with approval of its appropriate County Board committee, elects to use a grievance committee, said committee shall be appointed by the appropriate County Board committee and include at least two employees of the Department who do not hold management or supervisory positions and two alternates, and a maximum of three other persons.
- *(Revised 11/21/1984)*
- 8.3.6. The decision of the Grievance Committee of the appropriate committee of the County Board shall be final.

In grievance cases involving suspension without pay or involuntary termination, the employee may elect to follow the following "fast track" grievance procedure: Omit Steps 1 and 2 and file the grievance with the Department Head or the appropriate committee (if the Department Head took the action to suspend without pay or terminate the employee involuntarily).
- *(Revised 11/21/1984)*

**8.4.0. Proscription Against Punitive Action**

If a dismissal is reduced to a disciplinary suspension, no back pay and benefits shall be provided during the term of such suspension.
- *(Revised 11/21/1984)*

**CHAPTER XI**  
**No Solicitation/Distribution Policy**

**11.1.0. General**

11.1.1. Each year we receive many requests from organizations and individuals seeking permission to solicit DeKalb County employees for various causes or asking that we carry on solicitations for them. Many of these requests are made in support of worthwhile endeavors. However, should we permit all such solicitations, it would seriously impair our ability to provide services to the public efficiently. Therefore, we have found it necessary to limit such solicitation and distributions as follows:

- *(Revised 11/21/1984)*

11.1.2. Solicitations by EMPLOYEES seeking payments, contributions, memberships, signatures, funds and other similar solicitations or the distribution of non-work related literature by EMPLOYEES will not be permitted during the working time in a manner that disturbs other employees performing work or is otherwise disruptive of the performance of DeKalb County's work will not be permitted. 11.1.4. The posting of non-work related materials or literature shall be made only on designated bulletin boards.

- *(Revised 11/21/1984)*

11.1.5. "Working time" does not include break time, lunch periods, or other periods where employees are not required to be performing their job functions. "Working time" does include the times when employees are required to be engaged in work tasks and covers both the employee engaged in solicitation or distribution of literature and the employee to whom the solicitation or distribution is directed.

- *(Revised 11/21/1984)*

- 11.1.5.a. NOTE: Please remember that these rules generally do not apply during an employee's break time or before or after work. Our employees are free during such times to engage in appropriate discussion or to distribute appropriate material.
- *(Revised 11/21/1984)*
- 11.1.5.b. An exception to these rules for a charitable drive; such as the United Fund, may be made at the direction of the County Board.
- *(Revised 11/21/1984)*
- 11.1.5.c. In the past, certain DeKalb County solicitations such as flowers, teams, or sale of personal items, have occurred during working time. We are sorry, but these solicitations will have to be made only on non-work time from this date forward. We hope this does not inconvenience you too much.

**CHAPTER XIII**  
**Equal Employment Opportunity and Affirmative Action Policy Statement**

**13.1.0. General**

13.1.1. DeKalb County is an equal employment opportunity employer. It is the policy of the County to utilize only job-related criteria in making decisions concerning applicants and employees. Criterion such as age, sex, national origin, race, marital status, or religious, sexual, or political preference, or mental or physical disabilities shall not be a consideration in personnel decisions for a particular position except where such a consideration constitutes a bona fide occupational qualification.

13.1.2. DeKalb County shall have an on-going Affirmative Action (EEO/AA) Program. Affirmative Action is a Management responsibility to take the necessary steps to eliminate the effects of past and/or present legally protected discrimination in the area of program benefits and program employment, intended or unintended, which is evident from an analysis of practices and policies regarding program benefits and employment.

This Equal Opportunity/Affirmative Action Policy is in effect for all complaints of alleged discrimination. In other cases of employee complaint or grievance, in which there is no complaint of discrimination, the employee grievance procedure, as outlined in DeKalb County Personnel Policy, will be followed.

The policies set forth in this Policy represent the unequivocal support and commitment of the DeKalb County Board for equal opportunity and further commits all County personnel to actively work for the promotion and achievement of equal opportunity.

13.1.3. The County is committed to uphold all laws related to Equal Opportunity including, but not limited to, the following:

Title VI of the Civil Rights Act of 1964 which prohibits discrimination in the participation in or benefits of programs or activities receiving Federal financial assistance on the basis of race, color or national origin.

Title VII of the Civil Rights Act of 1964 which prohibits discrimination because of race, color, religion, sex or national origin in all employment practices including hiring, firing, promotions, compensation, and other terms, privileges and conditions of employment.

Title IX of the Education Amendments of 1972, which prohibits discrimination in Federal assisted education programs.

The Equal Pay Act of 1963 (amended 1972 and 1978), which covers all employees who are covered by the Fair Labor Standards Act. The act forbids pay differentials on the basis of sex.

The Age Discrimination Act of 1975, which prohibits discrimination because of age against employees or job applicants over 40 years of age.

Federal Executive Order 11246, which requires every federal contractor or subcontractor to develop an affirmative action program.

Article I, Sections 17, 18 & 19 of the Illinois Constitution which prohibits discrimination based on race, color, creed, national ancestry, handicap and sex in the hiring and promotion practices of any employer.

Administration of Aging Program Instruction AoA-PI-75-II, which requires all grantees to develop affirmative action plans. Agencies, which are part of an "umbrella" agency, shall develop and implement an affirmative action plan for the single organizational unit on aging. Preference for hiring shall be given to qualified older persons (subject to requirements of merit employment systems).

Omnibus Budget Reconciliation Act of 1981 (Block Grants), which authorized a series of health and social services block grants to states to carry out programs that were previously authorized separately. The final version was signed into law on August 13, 1981, amending the PHS Act to create the PHHS Block Grant. The PHHS Block Grant is a mandatory grant given to 61 grantees (50 states, the District of Columbia, 2 American Indian Tribes, and the eight U.S. Territories) by Congress annually.

Family and Medical Leave Act of 1993, which entitles eligible employees of covered employers to take unpaid, job-protected leave for specified family and medical reasons with continuation of group health insurance coverage under the same terms and conditions as if the employee had not taken leave.

Uniformed Services Employment and RE-employment Rights Act (USERRA), which protects service members' re-employment rights when returning from a period of service in the uniformed services, including those called up from the reserves or National Guard, and prohibits discrimination based on military service or obligation.

Genetic Information Nondiscrimination Act of 2008, also referred to as GINA, which is a Federal law that protects Americans from being treated unfairly because of differences in their DNA that may affect their health. The law prevents discrimination from health insurers and employers.

Titles VII and VIII of the Public Health Service Act, of which Title VII programs are designed to encourage health care workers to practice in under-served areas, increase the number of primary care providers, increase the number of minority and disadvantaged students enrolling in health care programs and increase the number of faculty in health care education and training programs, and Title VIII programs focus on training advanced practice nurses, increasing the number of minority and disadvantaged students enrolling in nursing programs, and improving nurse retention through career development and improved patient care systems.

Illinois Human Rights Act of 1980 which prohibits employers from terminating or otherwise discriminating against employees or job applicants on the basis of their race, color, citizenship status, national origin, ancestry, age, handicap, marital status, gender, religion, sexual orientation, military service or unfavorable military discharge status. The Act also prohibits sexual harassment and retaliation against any employee who opposes an action made unlawful by the Human Rights Act, or participates in a proceeding under the Act.

Illinois Executive Order 15, which allows individual providers in the Home-Based Support Services Program to join/form unions. Current unions are able to contact Home-Based Support Services Programs with information.

Americans with Disabilities Act Amendments Act of 2008, which emphasizes that the definition of disability should be construed in favor of broad coverage of individuals to the maximum extent permitted by the terms of the ADA and generally shall not require extensive analysis. The Act makes important changes to the definition of the term “disability” by rejecting the holdings in several Supreme Court decisions and portion of the EEOC’s ADA regulations. The effect of these changes is to make it easier for an individual seeking protection under the ADA to establish that he or she has disability within the meaning of the ADA.

### **13.2.0. Responsibilities for EEO/AA Program Implementation**

13.2.1. The DeKalb County Board has instructed the Director of the Finance Department to act in its behalf as the Equal Opportunity (EO) Officer and Americans with Disabilities Act (ADA) Coordinator in assuming and discharging any and all responsibilities associated with the implementation and maintenance of this Equal Employment Opportunity and Affirmative Action Program.

13.2.2. The County is committed to undertaking affirmative action to correct the underutilization as necessary. In an effort to fulfill this commitment, the County annually reviews its EEO/AA Program through the establishment of positive objectives with specific targets and timetables to achieve the goals of EEO/AA and the intent of the law.

### **13.3.0. Recruitment, Selection and Retention**

13.3.1. The paramount objective relative to recruitment and selection has been, and will continue to be, to employ and/or promote persons deemed to be well qualified for the job in question; and at the same time, insure that all candidates are evaluated without regard to any category protected by law.

13.3.2. The County is committed to nondiscrimination and full equality of opportunity in decisions regarding recruitment, hiring, training, promotion, lay off and awarding of benefits without regard to race, creed, color, disability, national origin, gender, sexual orientation, age or political affiliation or beliefs, or any other basis protected by law.

- 13.3.3. The County will ensure those individuals with limited English proficiency or who are hearing impaired will receive an equal opportunity to access County services and benefits. When there is not a staff member able and/or available to communicate with these individuals, provisions will be made to secure foreign language and/or sign-language interpreters.
- 13.3.4. Members of the eligible population shall be provided maximum feasible opportunities for employment in the administration of programs, including staff positions in which they will have opportunities for occupational training and career advancement. The County will make special efforts to recruit and hire staff who reflect the make-up of the population of the area by age, race, gender and national origin, and shall take corrective action if the makeup of staff varies significantly from the goal.
- 13.3.5. Whenever positions are advertised in local newspapers or professional journals, the advertisement shall indicate that the County is an equal opportunity employer.

#### **13.4.0. Promotion**

- 13.4.1. It is the policy of DeKalb County to promote persons deemed to be well qualified for the job in question, regardless of their age, race, marital status, sex, sexual orientation, religious affiliation, handicap, or any other category protected by law.

#### **13.5.0. County Programs and Services**

- 13.5.1. The County will ensure that it provides equal opportunity within the management of the County and all of its sponsored programs. All managers, supervisors, and all County personnel are committed to work actively to promote and achieve equal employment opportunity within their Departments and to emphasize equal opportunity for employment by all persons with whom the County does business. Further, the County shall endeavor to promote EEO/AA in the community through all contractual and vendor transactions. This EEO/AA Program includes the policy that failure of subcontractors, sub-grantees or vendors to comply with nondiscrimination laws will jeopardize initial funding or continued affiliation with the County.
- 13.5.2. The County will assure that its EEO/AA Program will be implemented to ensure equitable service delivery and compliance with the established policy in this Program, according to the intent of law.
- 13.5.3. Concentrated efforts will take place to improve the delivery of County services to significant segments, sensitizing staff, program participants, and subcontractors within the established policy of the EEO/AA Program. The County will assure appointment of minority and special service group representatives on the various citizen advisory committees in proportion to their numbers in the County service area.

13.5.4. The County will make continued efforts to eliminate architectural barriers to people with disabilities. No person shall be denied training or employment in any program because of artificial barriers to employment. The County will analyze and re-evaluate job descriptions and qualification requirements at all levels of employment with a view toward removing artificial barriers to employment. The County will comply with the Americans with Disabilities Act including amendments thereto and applicable EEOC regulations.

DeKalb County Board

**DEKALB COUNTY, ILLINOIS  
POLICY PROHIBITING SEXUAL HARASSMENT<sup>i</sup>**

*I. PROHIBITION ON SEXUAL HARASSMENT*

It is unlawful to harass a person because of that person's sex. The courts have determined that sexual harassment is a form of discrimination under Title VII of the U.S. Civil Rights Act of 1964, as amended in 1991. All persons have a right to work in an environment free from sexual harassment. Sexual harassment is unacceptable misconduct which affects individuals of all genders and sexual orientations. It is a policy of the County of DeKalb, State of Illinois to prohibit harassment of any person by any county official, county agent, county employee or county agency or office on the basis of sex or gender. All county officials, county agents, county employees and county agencies or offices are prohibited from sexually harassing any person, regardless of any employment relationship or lack thereof.

*II. DEFINITION OF SEXUAL HARASSMENT*

This policy adopts the definition of sexual harassment as stated in the Illinois Human Rights Act (775 ILCS 5/), which currently defines sexual harassment as:

Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Conduct which may constitute sexual harassment includes:

- Verbal: sexual innuendos, suggestive comments, insults, humor, and jokes about sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements about other employees, even outside of their presence, of a sexual nature.
- Non-verbal: suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, "catcalls", "smacking" or "kissing" noises.
- Visual: posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- Physical: unwelcomed touching, hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- Textual/Electronic: "sexting" (electronically sending messages with sexual content, including pictures and video), the use of sexually explicit language, harassment, cyber stalking and threats via all forms of electronic communication (e-mail, text/picture/video messages, intranet/on-line postings, blogs, instant messages and social network websites like Facebook and Twitter).

The most severe and overt forms of sexual harassment are easier to determine. On the other end of the spectrum, some sexual harassment is more subtle and depends, to some extent, on individual perception and interpretation. The courts will assess sexual harassment by a standard of what would offend a "reasonable person."

### III. PROCEDURE FOR REPORTING AN ALLEGATION OF SEXUAL HARASSMENT

An employee who either observes sexual harassment or believes herself/himself to be the object of sexual harassment should deal with the incident(s) as directly and firmly as possible by clearly communicating her/his position to the offending employee, and her/his immediate supervisor. It is not necessary for sexual harassment to be directed at the person making the report.

Any employee may report conduct which is believed to be sexual harassment, including the following:

- *Electronic/Direct Communication.* If there is sexual harassing behavior in the workplace, the harassed employee should directly and clearly express her/his objection that the conduct is unwelcome and request that the offending behavior stop. The initial message may be verbal. If subsequent messages are needed, they should be put in writing in a note or a memo.
- *Contact with Supervisory Personnel.* At the same time direct communication is undertaken, or in the event the employee feels threatened or intimidated by the situation, the problem must be promptly reported to the immediate supervisor of the person making the report, a department head, a director of human resources, an ethics officer, the County Administrator, the State's Attorney or the Chairperson of the DeKalb County Board.

The employee experiencing what he or she believes to be sexual harassment must not assume that the employer is aware of the conduct. If there are no witnesses and the victim fails to notify a supervisor or other responsible officer, the county will not be presumed to have knowledge of the harassment.

*Resolution Outside County.* The purpose of this policy is to establish prompt, thorough and effective procedures for responding to every report and incident so that problems can be identified and remedied by the county. However, all county employees have the right to contact the Illinois Department of Human Rights (IDHR) or the Equal Employment Opportunity Commission (EEOC) for information regarding filing a formal complaint with those entities. A complaint with the EEOC must be filed within 300 days. An IDHR complaint must be filed within 180 days of the alleged incident(s) unless it is a continuing offense. For more information on the process, please see: <https://www.illinois.gov/dhr/FilingCharge/Pages/default.aspx>

Documentation of any incident may be submitted with any report (what was said or done, the date, the time and the place), including, but not limited to, written records such as letters, notes, memos and telephone messages.

All allegations, including anonymous reports, will be accepted and investigated regardless of how the matter comes to the attention of the county. However, because of the serious implications of sexual harassment charges and the difficulties associated with their investigation and the questions of credibility involved, the claimant's willing cooperation is a vital component of an effective inquiry and an appropriate outcome.

#### IV. *PROHIBITION ON RETALIATION FOR REPORTING SEXUAL HARASSMENT ALLEGATIONS*

No county official, county agency, county employee or county agency or office shall take any retaliatory action against any county employee due to a county employee's:

1. Disclosure or threatened disclosure of any violation of this policy,
2. The provision of information related to or testimony before any public body conducting an investigation, hearing or inquiry into any violation of this policy, or
3. Assistance or participation in a proceeding to enforce the provisions of this policy.

For the purposes of this policy, retaliatory action means the reprimand, discharge, suspension, demotion, denial of promotion or transfer, or change in the terms or conditions of employment of any county employee that is taken in retaliation for a county employee's involvement in protected activity pursuant to this policy.

No individual making a report will be retaliated against even if a report made in good faith is not substantiated. In addition, any witness will be protected from retaliation.

Similar to the prohibition against retaliation contained herein, the State Officials and Employees Ethics Act (5 ILCS 430/15-10) provides whistleblower protection from retaliatory action such as reprimand, discharge, suspension, demotion, or denial of promotion or transfer that occurs in retaliation for an employee who does any of the following:

1. Discloses or threatens to disclose to a supervisor or to a public body an activity, policy, or practice of any officer, member, State agency, or other State employee that the State employee reasonably believes is in violation of a law, rule, or regulation,
2. Provides information to or testifies before any public body conducting an investigation, hearing, or inquiry into any violation of a law, rule, or regulation by any officer, member, State agency or other State employee, or
3. Assists or participates in a proceeding to enforce the provisions of the State Officials and Employees Ethics Act.

Pursuant to the Whistleblower Act (740 ILCS 174/15(a)), an employer may not retaliate against an employee who discloses information in a court, an administrative hearing, or before a legislative commission or committee, or in any other proceeding, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. In addition, an employer may not retaliate against an employee for disclosing information to a government or law enforcement agency, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. (740 ILCS 174/15(b)).

According to the Illinois Human Rights Act (775 ILCS 5/6-101), it is a civil rights violation for a person, or for two or more people to conspire to, or individually, retaliate against a person because he/she has opposed that which he/she reasonably and in good faith believes to be sexual harassment in employment, because he/she has made a charge, filed a complaint, testified, assisted, or participated in an investigation, proceeding, or hearing under the Illinois Human Rights Act. It is further unlawful for any individual, or for two or more persons, to aid, abet, compel or coerce a person to commit any violation of the Illinois Human Rights Act or to willfully interfere with the performance of a duty or the

exercise of a power by the Human Rights Commission, or one of its members or representatives, or the Department of Human Rights, or one of its officers or employees.

An employee who is suddenly transferred to a lower paying job or passed over for a promotion after filing a complaint with IDHR or EEOC, may file a retaliation charge – due within 180 days (IDHR) or 300 days (EEOC) of the alleged retaliation.

*V. CONSEQUENCES OF A VIOLATION OF THE PROHIBITION ON SEXUAL HARASSMENT*

In addition to any and all other discipline that may be applicable pursuant to county policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreement, any person who violates this policy or the Prohibition on Sexual Harassment contained in 5 ILCS 430/5-65, may be subject to a fine of up to \$5,000 per offense, applicable discipline or discharge by the county and any applicable fines and penalties established pursuant to local ordinance, State law or Federal law. Each violation may constitute a separate offense. Any discipline imposed by the county shall be separate and distinct from any penalty imposed by an ethics commission and any fines or penalties imposed by a court of law or a State or Federal agency.

*VI. CONSEQUENCES FOR KNOWINGLY MAKING A FALSE REPORT*

A false report is a report of sexual harassment made by an accuser using the sexual harassment report to accomplish some end other than stopping sexual harassment or retaliation for reporting sexual harassment. A false report is not a report made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false or frivolous report is a severe offense that can itself result in disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this policy shall be subject to discipline or discharge pursuant to applicable county policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements.

In addition, any person who intentionally makes a false report alleging a violation of any provision of the State Officials and Employees Ethics Act to an ethics commission, an inspector general, the State Police, a State’s Attorney, the Attorney General, or any other law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to \$5,000 against any person who intentionally makes a false, frivolous or bad faith allegation.
