OUR DETACHMENT SUPPORTS

The DeKalb County Marine Corps League works to provide community service through our two yearly scholarships.

We are always ready to demonstrate our continued love for community and country by carrying the flag proudly in parades and other community events.

The Marine Corps League is always ready to support veteran's families by providing our fallen comrades the honors that they have earned through their sacrifice to this great country and community.

We stand ready to support veterans in our community that need our support financially, emotionally, or just an extra hand to get a job done.

We also partner with the local Toys for Tots coordinator to brighten up Christmas for families in need.

The Marine Corps League is also a supporter of the Eagle Scouts working to complete their Final Eagle Scout Project.
