Other Recycle Advise ["http://www.dekalbcountyhealthdepartment.org/RecycleD.html"](http://www.dekalbcountyhealthdepartment.org/RecycleD.html)

Freecycle.org is for usable items that you don't want to throw away, but still are in good shape

DeKalb Iron & Metal Company (DIMCO)

accepts the following items for recycling.

All aluminum items, copper, yellow brass, red brass, stainless steel, auto batteries, forklift batteries, auto radiators, lead, die cast. DIMCO also accepts all types of scrap iron, fence wire, appliances(except those containing Freon), tin cans, car parts such as engines(oil & antifreeze must be drained), fenders, hoods, etc., and electric motors.

DIMCO also accepts electronic scrap but a fee is charged to recycle these items.

DIMCO is located at 900 Oak Street in DeKalb
