The same is true with apartments; thus only one category. Because of the relatively short history of some newer types of detached and attached single-family units, individual evaluations may be necessary.

UTILITY EASEMENT

A permanent non-exclusive easement is hereby reserved for and granted to the County of DeKalb (hereinafter "the Grantee"), and to all public utility and other companies of any kind operating under franchise granting them rights from the Grantee, including, but not limited to the following companies: General Telephone and Electronics Company, Commonwealth Edison Company, and Northern Illinois Gas Company and to their successors and assigns in, upon, across, over, under and through the areas shown by dashed lines and labeled "Utility Easement" on this plat of subdivision, or where otherwise noted in the above legend for the purpose of installing, construction, inspection, operation, replacing, renewing, altering, enlarging, removing, repairing, cleaning and maintaining electrical, cable television, communication, gas, telephone or other utility lines and appurtenances, and such other installations and service connections as may be required to furnish public utility services to adjacent areas, deemed necessary, together with the right of

access across the real estate platted hereon for the necessary personnel and equipment to do any or all of the above work. No permanent buildings or trees shall be placed on said easements, but the premises may be used for gardens, shrubs, landscaping, and other purposes that do not then or later interfere with the aforesaid uses and rights. Fences shall not be erected upon said easements in any way which will restrict the uses herein granted except where specifically permitted by written authority of the Grantee. The right is also hereby granted to the Grantee to cut down, trim or remove any trees, fences, shrubs, or other plants that interfere with the operation of or access to said utility installation in, on, upon, across, under or through said easements. The Grantee shall not be responsible for replacement of any such improvements, fences, gardens, shrubs or landscaping removed during exercise of the herein given rights. Replacement of items so removed shall be the responsibility of the then lot owner.

DRAINAGE EASEMENT

A permanent non-exclusive easement is hereby reserved for and granted to the County of DeKalb (hereinafter "the Grantee"), and to its successors and assigns in, upon, across, over, under and through the areas shown by dashed lines and labeled "Drainage Easement" on this plat of subdivision, or where otherwise noted in the above legend for the purpose of installing, construction, inspecting, operating, replacing, renewing, altering, enlarging, removing, repairing, cleaning and maintaining storm sewers, drainageways, storm water detention and detention facilities, sub-surface drainage systems and appurtenances and any and all manholes, pipes, connections, catch basins, and without limitations, such other installations as the Grantee may deem necessary, together with the right of access across the real estate platted hereon for the necessary personnel and equipment to do any or all of the above work.

In furtherance of the foregoing affirmative rights, the following covenants shall run with said land in perpetuity:

- No permanent buildings shall be placed on said drainage easements;
- No trees or shrubs shall be placed on said drainage easement, but the premises may be used for landscaping, and other purposes that do not then or later interfere with the aforesaid uses and rights;
- There shall be no dredged or fill material placed upon said drainage easements; and,
- Fences shall not be erected upon said drainage easements in any way which will restrict the uses herein granted.

The right is also hereby granted to the Grantee to remove any buildings or structures, [or] to cut down, trim or remove any trees, fences, shrubs or other plants that interview with the operation of or access to such drainage facilities in, on, upon, across, under or through said drainage easements.

The Grantee shall not be responsible for replacement of any such buildings, structures, improvements, fences, gardens, shrubs or landscaping removed during exercise of the herein given rights. Replacement of items so removed shall be the responsibility of the then lot owner.

Where drainage easement areas are also used for electric, telephone, cable TV, or gas distribution systems or components, such other utility installations shall be subject to the prior approval of the County of DeKalb so as not to interfere with the maintenance of gravity flow and stabilization of vegetation ground cover on the above-mentioned drainage facilities.

LANDSCAPING EASEMENT

A landscaping easement is hereby reserved for and granted to said _____ and to its successors and assigns, and is restricted to the placement of trees, shrubs, bushes, lawns, and other forms of vegetation. No permanent buildings or structures shall be constructed or maintained on, across, over or through said "Landscaping Easement" nor shall such vegetation be removed, except to replace dead or diseased vegetation of like species, without the written authority of the County of DeKalb. Nothing contained in this paragraph shall preclude the exercise of rights hereinabove granted for utility easements.

SIGN EASEMENT

Use of the areas shown by dashed lines on the plat and marked "Sign Easement" is hereby reserved for and granted to _____ and to its successors and assigns, and is restricted to the placement of identification signs. No permanent buildings or structures except such signs hereby permitted shall be constructed or maintained on, across, over or through said "Sign Easement." Nothing contained in this paragraph shall preclude the exercise of rights hereinabove granted for utility easements.

CONDITIONS COMMON TO ALL EASEMENTS

It is expressly understood that the aforementioned easements: the Utility Easement, the Drainage Easement, the Landscaping Easement, [and] the Sign Easement exist by virtue of the authority granted to counties in Illinois Revised Statutes, chapter 34, paragraph 5-1041 (1989), Illinois Revised Statutes, chapter 34, paragraph 5-1049 (1989) and other relevant state laws, rules and regulations in force at the time of the submission of this plat to the County of DeKalb for approval.

It is further understood that nothing contained herein in any grant or dedication of any easement is intended, nor shall be construed, to give rise to any duties or liabilities on behalf of the County of DeKalb or any Department or Division thereof, which is not authorized and required by law. In the event that any lot owner or owners do not adequately maintain the storm water detention, drainage and subsurface drainage facilities, or any facility or condition mentioned in any of the aforementioned easements, to the extent permitted by law, DeKalb County may provide at its sole discretion such construction, maintenance and/or repair it deems necessary or desirable in the public interests or take any such other action incidental to the purposes enumerated in the aforementioned easements. To that end, DeKalb County is hereby granted the privilege of necessary access through and upon the premises of each and every block, lot and parcel in the subdivision for the purpose of effectuating the aforementioned construction, maintenance, repair or other work incidental to any purpose enumerated in the aforementioned easements.

Each and every lot owner in the subdivision shall hold the County of DeKalb harmless for any and all claims for damages arising out of the County of DeKalb's performing any of the aforementioned construction, maintenance, repair or any work incidental to any purpose enumerated in the aforementioned easements; and shall jointly indemnify, defend or incur all cost of defense of the County of DeKalb, its officials, agents, servants and employees, from the payment of any sum or sums of money to any person whomsoever on account of all claims, actions or suits growing out of any injury from or in any way attributable to, the County of DeKalb performing any of the aforementioned. To the extent permitted by law, each and every lot owner within the subdivision shall be jointly liable for the cost of any construction, maintenance, repair or any other action incidental to any purpose enumerated in the aforementioned easements performed by the County of DeKalb and shall reimburse the County of DeKalb upon written demand. In the event of a failure to so reimburse, to the extent permitted by law, the costs of any construction, maintenance, repair or other work performed by the County of DeKalb shall give rise to a lien on each and every lot within the subdivision and against each and every lot owner therein in favor of the County of DeKalb. Such lien may be perfected by recordation of the same.

It is further expressly understood that there shall be no alteration of existing drainage at any time without the express written approval of the County of DeKalb, unless otherwise authorized by law.

No amendment, modification, revocation or extinguishment of any of the aforementioned easements or any of the conditions or purposes contained therein is effective, without the express written approval of the County of DeKalb, by and through its agent, the DeKalb County Plat Officer, his agent, or successor in office. Each and every grant of easement or other dedication contained herein in this Plat of Subdivision to the County of DeKalb is dedicated for the benefit of both the public generally and the residents of the subdivision specifically. The grantor expressly acknowledges that each and every easement is granted knowingly and voluntarily for the purposes stated herein and that only those dedications intended to benefit the residents of the subdivision specifically and uniquely are required by the County.

It is recognized that the municipal corporation is granting the owner and/or developer the permission to proceed with the development project upon the guarantee of the irrevocable nature of this commitment. It is further acknowledged that the consideration for this irrevocable commitment is provided by agreements between this financial institution and the developer. The sum of this credit shall, however, be reduced in the amount of disbursements made from time to time in accordance with the terms under which this credit is extended as set out above.
