

Preliminary Engineering Services McNeal Road Bridge

Overview:

The DeKalb County Highway Department is in need of Phase I & II engineering services for the replacement of the McNeal Road bridge (SN 019-4009) northwest of Kirkland, IL in rural Franklin Township. The project is expected to involve wetlands and flood plain.

Consultant Scope of Services:

Phase I & II preliminary engineering services are needed for all necessary work to receive Design Approval and to prepare the plans, specifications and estimates (PS&E) package. This project is anticipated to be processed as a State Approved Categorical Exclusion. Specific tasks include but are not limited to:

- • Data collection and survey
- • Environmental studies coordination
- • Prepare IDOT forms including the PDR
- • Prepare contract plans and project special provisions/specifications
- • Prepare estimates of cost and time
- • Right of Way acquisition including Highway Plats and Legals

Phase I & II engineering are expected to be completed for a June 2019 letting. The construction cost for this project is estimated to be \$3,000,000.

Project Parameters:

1. Preliminary Engineering will be funded with County funds only.
2. The County has secured STP-BR funding for construction.
3. The construction contract will be awarded by the Illinois Department of Transportation.
4. The prime firm must be IDOT prequalified in the following categories:

• Structures: Highway-Typical

Statements of interest are due by July 13, 2018 by 3:00 p.m. and may either be mailed to:

Mr. Nathan F. Schwartz, P.E.
DeKalb County Engineer
1826 Barber Greene Road
DeKalb, IL 60115

Or sent via email to: highway@dekalbcounty.org

Shortlisted firms will be notified by late July 2018. A statement of qualification will be requested from each shortlisted firm.
