

Preliminary Engineering Services Plank Road

Overview:

The DeKalb County Highway Department is in need of Phase I and Phase II engineering services for improvements for Plank Road from Lindgren Road to Lukens Road on the northeast side of Sycamore, IL. The scope of work is expected to involve safety improvements such as the widening and paving of shoulders, ditch grading, and intersection lighting.

Consultant Scope of Services:

Phase I & II preliminary engineering services are needed for all necessary work to receive Design Approval and to prepare the plans, specifications and estimates (PS&E) package. This project is anticipated to be processed as a Federal Approved Categorical Exclusion. Specific tasks include but are not limited to:

- • Data collection and survey
- • Environmental studies coordination
- • Local coordination
- • Prepare IDOT forms including the PDR
- • Prepare contract plans and project special provisions/specifications
- • Prepare estimates of cost and time
- • Right of Way acquisition including Highway Plats and Legals

The construction cost for this project is estimated to be \$2,100,000. Phase I & II engineering are expected to be completed for a spring 2019 letting.

Project Parameters:

1. Preliminary Engineering will be funded with County funds only.
2. The County has secured Highway Safety Improvement Program (HSIP) funding for construction.
3. The construction contract will be awarded by the Illinois Department of Transportation.
4. The prime firm must be IDOT prequalified in the following categories:

• Highways (Roads & Streets)

Statements of interest are due by February 2, 2018 by 3:00 p.m. and may either be mailed to:

Mr. Nathan F. Schwartz, P.E.
DeKalb County Engineer
1826 Barber Greene Road
DeKalb, IL 60115

Or sent via email to: highway@dekalbcounty.org

Shortlisted firms will be notified by mid-February, 2018. A statement of qualification will be requested from each shortlisted firm.
