## **DSATS Technical Advisory Committee**

**Wednesday, 6 March 2019**

**11:00 A.M.**

### **DeKalb County Highway Department**

1826 Barber Greene Rd.

DeKalb, IL 60115

Conference Room # 815-756-6026

### **Agenda**

1. **Introductions**
2. **Administrative Agenda**
  - a. **Approval of Agenda (Action)**
  - b. **Approval of Minutes (Action)**
  - c. **Public Comment**
3. **Governance Agenda (no agenda items)**
4. **Roadway Agenda**
  - a. **DSATS SFY2019-2023 TIP Revision 5**
  - b. **SFY20-24 TIP Update**
  - c. **2020 Census**
  - d. **ITS Architecture**
  - e. **DSATS 2019 FHWA Planning Review**
  - f. **2019 Pavement Conditions Study**
5. **Active Transportation Agenda**
  - a. **Active Transportation Plan Update**
6. **Closing Agenda**
  - a. **Staff and Project Updates**
  - b. **What's new with our State and Federal Partners**
  - c. **Additional Business**
  - d. **Adjourn**

If you have any questions regarding this notice, please contact:

Brian Dickson

DSATS Coordinator

*Assistive and Language services will be provided upon request.  
Recording devices may be used during meeting for minute taking purposes*

**TECHNICAL ADVISORY COMMITTEE MEETING**  
**6 MARCH 2019 – 11:00 A.M.**  
**MEETING #TAC0319**

1. Introductions
2. Administrative Agenda
  - a. Approval of Agenda (Action): Approval of March 6, 2019, TAC Agenda.
  - b. Approval of Minutes (Action): Approval of the January 2, 2019, TAC meeting minutes.
  - c. Public Comments
3. Governance Agenda (no agenda items)
4. Roadway Agenda
  - a. DSATS SFY2019-2023 TIP Revision 5: DSATS Project #2021-H-243, the installation of a 4-foot wide HMA safety shoulder with turn lane on Barber Greene Road from Peace Road to Somonauk Road, has been put in Advanced Construction (AC) status. Changes to a project's AC status have been updated at the staff level with TAC and PC being notified of the action taken.
  - b. SFY20-24 TIP Update: Each year DSATS updates its Transportation Improvement Program (TIP) prior to the beginning of the new State Fiscal Year (SFY) in July. In order to complete the TIP update prior to the beginning of the new fiscal year, staff and member organizations need to update the TIP project listings. Staff has attached the list of projects updated by members last year. This includes updated projects on the current SFY19-23 TIP and the 2040 Long Range Transportation Plan (LRTP). The listing is grouped by member organization. The LRTP projects were updated by member organizations last year. Staff requests members review the list of projects for their organization and identify which projects have been completed; update information on active projects; identify if any long-term projects should be brought into the active TIP; and identify any new projects to add to the TIP. Staff requests the information be reviewed by members and submit any changes or additions to staff by **March 22, 2019**. An initial draft TIP will be presented to members at the April meeting.
  - c. 2020 Census: DSATS has been asked to coordinate with DSATS member organizations to review census blocks, block-groups, and tracts prior to

the 2020 Census. Staff will provide members with an overview of this process and asks members to identify staff within their organizations who should be included in discussions to review census boundaries.

- d. ITS Architecture: IDOT hired Parsons to update the Intelligent Transportation Systems (ITS) Architecture for all the MPOs in Illinois. Staff will provide members with an overview of the DSATS ITS Architecture database provided to staff by Parsons. Staff will identify how this information should be integrated into the DSATS TIP and LRTP.
  - e. DSATS 2019 FHWA Planning Review: The FHWA will be performing a review of the DSATS planning process on March 6-7, 2019, following the completion of the TAC meeting. The review is open to anyone who wishes to attend. Staff will provide members with an overview of the Advanced Review Questionnaire, which staff submitted to the FHWA prior to the review.
  - f. 2019 Pavement Conditions Study: DSATS last performed a pavement conditions study in 2013. Staff will provide an update on the 2019 Pavement Conditions Study.
5. Active Transportation Agenda
- a. Active Transportation Plan Update: Staff will provide members with an update on the Active Transportation Plan progress. Minutes of the February 2019 meeting are attached.
6. Closing Agenda
- a. Staff and Project Updates: Updates from staff and local member organizations on projects.
  - b. What's New with Our State and Federal Partners: Updates from IDOT, FHWA, and FTA Staff on activities occurring at the state and federal level.
  - c. Additional Business: Any additional business members may have for the group.
  - d. Adjourn

**TECHNICAL ADVISORY COMMITTEE MEETING  
WEDNESDAY, 2 JANUARY 2019 – 11:00 A.M.  
MEETING # T0119**

**ATTENDANCE**

- Voting Membership:
  - City of DeKalb: **Zac Gill**, Tim Holdeman
  - City of Sycamore: **Mark Bushnell**
  - DeKalb County: **Nathan Schwartz**
  - Town of Cortland: not present
  - IDOT District 3: **Tom Magolan**
  - NIU: **John Heckmann**
  - NIU Student Association: not present
  - VAC: **Paul LaLonde**
  - Kishwaukee College: not present
- Non-Voting Attendance:
  - FHWA: not present
  - IDOT Planning & Programming: Doug DeLille
  - IDOT Local Roads: not present
  - DSATS staff: Brian Dickson
  - Transit staff: not present
  - Others Present: none.

(**BOLD** indicates voting member)

**CALL TO ORDER**

Chair Schwartz called the meeting to order and established a quorum at 11:02 a.m.

**1. Introductions**

Introduction of members present was made.

**2. Approval of Agenda**

**Motion #T0119-01:** Motion to approve the January 2, 2019 meeting agenda made by Mr. LaLonde; 2<sup>nd</sup> by Mr. Gill and approved by voice vote.

**3. Approval of Minutes**

**Motion #T0119-02:** Motion to approve the December 5, 2018 meeting minutes by Mr. Heckman; 2<sup>nd</sup> by Mr. Magolan and approved by voice vote.

#### **4. Public Comment**

There was no public comment.

#### **5. Election of Officers**

Mr. Schwartz opened the nomination for officers for 2019. Mr. Bushnell said he would be willing to act as Chair if someone else would take over as Chair of the Active Transportation Subcommittee.

Mr. Gill nominated Mr. Bushnell to be Chair of the TAC.

Mr. Bushnell nominated Mr. Schwartz to serve as Vice-Chair. Mr. Schwartz declined, stating he prefers not to serve as Chair or Vice-Chair while acting as the DSATS Director.

Mr. Magolan nominated Mr. Heckmann to serve as Vice-Chair.

Mr. Schwartz called for closing the nominations.

**Motion #T0119-03:** Mr. Magolan called for the approval of Mr. Bushnell as Chair and Mr. Heckman as Vice-Chair of the TAC. The motion was seconded by Mr. Gill and approved by voice vote.

Mr. Bushnell took over as Chair of the meeting.

#### **6. MPO Safety Performance Measure**

Mr. Dickson informed members last year DSATS adopted the state safety performance measure goal of reducing fatal and serious injury crashes by 2%. The Safety PM goal must be reapproved annually. The state has set its 2019 Safety PM goal to 2% again. All the Illinois MPO's must either adopt the states goal or implement their own goal by February 27, 2019.

Mr. Dickson said DSATS and the other Illinois MPO's are awaiting further guidance from IDOT and FHWA as to how the PM goals need to be represented on the TIPs. Mr. Dickson said staff is recommending DSATS adopt the state's Safety Performance Measure goal for 2019. Adopting the state's Safety PM means the MPO agrees to assist the state in meeting the state goal of a 2% overall reduction in fatal and serious injury crashes on the five-year rolling average. Mr. Dickson said he intends to review the regions safety information over the next year and develop recommendations on how to improve safety in the region.

Mr. Bushnell said the committee voted last year to adopt the State goals. The Project Selection Subcommittee has developed several scoring criteria for projects, one of those criteria is to identify how each project improves safety. Mr. Schwartz said members also looked at the history of safety and the states goals are a realistic estimate of what can be achieved. There would be a lot less work required of staff if the state goals are adopted. If DSATS adopts their own goals, staff will be required to do more in-depth monitoring of how the MPO is achieving those goals.

Mr. Heckman inquired how safety is integrated into the project selection process. Mr. Schwartz said there are 6 criteria in which projects are scored. Safety is one of those criteria. If a project

is expected to improve safety, that project can receive a higher score. Mr. DeLille noted the list of projects in a TIP should be more holistic in nature. You need projects addressing all of the performance measures. Some projects may be oriented to improve safety, while other projects may address other performance measures. Mr. Magolan noted member organizations can also apply for Highway Safety Improvement Program (HSIP) grants, which provide additional funding outside of Surface Transportation Program – Urban (STU) funds. HSIP grants are specifically for safety improvement projects. This additional money can be used to free up STU project funds for other projects.

Mr. Heckman asked if the MPO should take a more active role in identifying where safety projects are needed, rather than the member organizations identifying their own projects within their own boundaries. Mr. Schwartz said he is thinking about ways in which DSATS can use its access to data to better identify projects. Mr. Schwartz noted he would prefer not to make safety its own stand-alone criteria.

Mr. DeLille noted these performance measures, which are being implemented by federal officials, are looking to make the project selection process a more data driven process, rather than a political process.

**Motion #T0119-04:** Mr. Heckmann made a motion to recommend the Policy Committee adopt the State's Safety Performance Measure goal for 2019. The motion was seconded by Mr. LaLonde and approved by voice vote.

## **7. DSATS 2019 Calendar**

Mr. Dickson said the Policy Committee approved the publishing of the DSATS 2019 calendar at the December PC meeting. Mr. Dickson said the meeting dates were scheduled to be published in the Daily Chronicle on Monday, December 31. The Calendar is being provided to members for their reference.

## **8. Staff and Project Updates**

Mr. Gill said the Bus Shelters have been ordered. All of the pads and support work has been completed. It is hoped the shelters will be delivered by late January. Federal tariffs on aluminum and steel may delay delivery of shelters. The Shelters will be bolted down on site once they are delivered. Any additional concrete work which may be required, will be completed in the spring. Drawdown of funds to pay for work already completed may be delayed due to the federal government shutdown. Transit staff is looking to obtain approval from the City Council to pay the initial contractor invoice and reimburse the City general fund once the federal government shutdown is ended.

Mr. Schwartz said DSATS has left the City and Mr. Dickson is now working for DeKalb County. Staff will be sending out notices soon with Mr. Dickson's new email address and phone number.

Mr. Gill said the contractor is working on installing the new traffic signals at the intersection of Fairview Dr. and Annie Glidden Rd. The poles have arrived, but the connections must still be made. The final installation is expected to occur in late January or February.

### **9. What's new with our State and Federal Partners**

Mr. Magolan said IDOT staff has not yet received their new multi-year program targets.

Mr. DeLille said the IDOT staff has not yet received the new MPOs' FHWA and FTA Planning grant marks. Mr. DeLille said Mr. Blankenhorn retired as the Secretary of Transportation. As of the end of year, there had been many retirements at IDOT, leaving many positions with either acting personnel or unfilled.

### **10. Additional Business**

Mr. Gill said the City of DeKalb will soon be doing a new Pavement Condition Study and wants to know if DSATS wants to coordinate with the City to perform the study. Mr. Schwartz said he would contact Mr. Gill next week about the situation.

### **11. Adjourn**

**Motion #T0119-06:** Motion to adjourn at 11:42 p.m. made by Mr. Schwartz; 2<sup>nd</sup> by Mr. Magolan and approved by voice vote.

Submitted By: Brian Dickson

Note: These minutes are not official until approved by the Technical Advisory Committee at a subsequent meeting. Please refer to the meeting minutes when these minutes are approved to obtain any changes to these minutes.

## **DSATS Active Transportation Subcommittee Meeting**

**Tuesday, 19 February 2019**

**10:30 A.M.**

**Meeting #: ATS0219**

**NO ACTION TAKEN DUE TO LACK OF QUORUM**

### **ATTENDANCE**

- Voting Membership (5 of 11 present):
  - City of DeKalb: **Zac Gill**
  - City of Sycamore: **Mark Bushnell**
  - DeKalb County: **Nathan Schwartz**
  - NIU: not present
  - NIU Student Association: not present
  - DeKalb Park District: **Amy Doll**
  - Sycamore Park District: not present
  - DeKalb School District: not present
  - Sycamore School District: not present
  - VAC: **Max Sinclair**
  - Live Healthy DeKalb County – Active Transportation: not present
  
- Non-Voting Attendance:
  - Town of Cortland: Brandy Williams
  - FHWA: John Donovan
  - IDOT Planning & Programming: not present
  - DSATS staff: Brian Dickson
  - Transit staff: not present
  - Others Present: none.

(**BOLD** indicates voting member)

### **CALL TO ORDER**

Chair Bushnell called the meeting to order at 10:33 A.M. As there was insufficient members present to achieve quorum, only discussion of items was allowed.

#### **1. Introductions**

Introduction of members present was made.

## **2. Approval of Agenda**

No approval of agenda due to lack of quorum.

## **3. Approval of Minutes**

Postponed due to lack of quorum.

## **4. Public Comment**

There was no public comment.

## **5. Election of Officers**

Mr. Schwartz said the bylaws allow the subcommittee officers to either be elected by the subcommittee members at the first meeting of the new calendar year or appointed by the Chair of the Committee which created the subcommittee. Mr. Schwartz said in discussions with the current Technical Advisory Committee (TAC) chair, Mr. Bushnell, he opted to appoint the Active Transportation Subcommittee (ATS) Chair and allow ATS members to elect the vice-chair.

Mr. Bushnell said he has asked Ms. Doll, Director of the DeKalb Park District, to act as the Chair of the ATS. He said the vice-chair should be elected by members at the next ATS meeting.

Ms. Doll then took over as Chair of the ATS and resided over the rest of the meeting.

## **6. Review of Active Transportation Maps**

Mr. Schwartz provided an overview of the changes to the existing and proposed trail maps.

Regarding the proposed trail map, discussion included identifying potential trails along all state routes as IDOT will not consider trails or sidewalks during projects if not identified in one of the MPO's planning documents.

Ms. Doll previously provided a map of the Irongate Subdivision and those trails should be included on the proposed trail map. She said discussions were on-going between the Park District and the developer regarding the dedication of trail easements.

Mr. Gill said the City of DeKalb is planning to include curb cuts for the DeKalb Nature Trail extension when North First Street construction occurs.

## **7. Review of Bike Count Information**

Mr. Dickson provided an overview of the bike counter spreadsheet, which was distributed to everyone and will be included in the ATP.

Mr. Schwartz requested members contact staff within the next couple of weeks, if they have locations where they would like to have bike and pedestrian counts taken. Mr. Gill said it would be beneficial to have counts along the Fairview Drive Trail near the Middle School. He also requested to get better information on bicycle use along Fairview Drive. Mr. Schwartz suggested using tube counters at this location. Ms. Doll asked if counters could be used to count the usage of the DeKalb Dog Park. It was decided an infrared counter could be used at the entrance and placed to count only humans, not dogs.

## **8. Review of Updated Plan**

Mr. Schwartz went over proposed changes which staff has identified for the Goals and Objectives portion of the document. Members agreed with the proposed changes.

Mr. Sinclair asked if the regulations in the FAST act have replaced SAFETY-LU regulations or added to them. Staff said they would research and update that information in the plan.

Mr. Schwartz asked members to contact staff if they had any educational or other programs which should be included in the list of programs and projects. Mr. Schwartz said staff will work to revise the rest of the document for review by members at the March meeting.

## **9. Schedule**

Mr. Schwartz said the goal is to have the ATP completed by June. The following timeline was discussed:

- March 2019:
  - Staff provides a full draft of the document to members for review.
- April 2019:
  - Members review document provided by staff and submit comments and revisions.
  - Pre-Final plan approved by ATS for Public Meeting(s).
  - Potential distribution of surveys during April and/or May.
- May 2019:
  - May is National Bike Month.
  - The Live Health DeKalb County organization is holding several events during the month, especially during the weekend of May 18-19. Members suggested the Public Outreach be held during this period.
  - Suggestion to hold the May ATS meeting later in the month to allow staff time to include comments from outreach events in the final draft.
- June 2019:
  - Approval of final document by the DSATS TAC and PC.

## **10. Additional Business**

Mr. Gill said often subdivisions do not require a sidewalk be installed on a lot until a house is built on that lot. This has the effect of creating gaps in the sidewalk system. He asked members if the ATP should recommend member organizations revise their zoning codes to require a full sidewalk system be installed at some point even if houses have not been built on all lots yet. Mr. Bushnell said this would be difficult to implement on existing subdivisions but could be implemented on new ones. Mr. Donovan said the FHWA has compiled examples potential zoning code municipal governments can adopt to deal with this issue and suggested staff use the FHWA website as a resource.

Ms. Doll said members should submit any comments to staff prior to March 19, 2019 regarding:

- Listing of map changes,
- Revisions and comments on the Goals and Objectives,
- List of suggested bike counter locations.

Mr. Schwartz said staff would send out a reminder to members two weeks prior to the next meeting.

## **11. Adjourn**

Meeting was adjourned at 11:23 a.m.

Respectfully compiled by: Brian Dickson

Note: These meeting notes are provided for informational purposes. As there was no quorum, these notes shall have no official approval.
