On 8/10/2018 7:15 AM, you received an email notification indicating that this project has been moved from advanced construction to current status in accordance with the following criteria:

- Apportionment or state contract ceiling are sufficient to meet project specifications.
- The project is financially active.

To date, we have not received notification that you have processed an Administrative Modification to reflect the current status of this project. Failure to provide this notification could result in the immediate withdrawal of the project from federal participation. Please give this matter your immediate attention.
