TO WHOM IT MAY CONCERN:

DATE: August 24, 2018

REF: DeKalb County Bid Letting Scheduled for August 28, 2018 Section – Sannauk Trail

This letter will serve as notice that an addendum to the above referenced project has been published as provided below:

On Sheet 2 of the Plans, Items 8 & 13 of the General Notes both address soil excavation and placement. Item 8 (topsoil removal, storage, & placement) did not specify how the topsoil handling should be paid. Item 13 (final soil placement prior to seeding) specified Item 13 is incidental to Earth Excavation. Item 8 is intended to be a supplement to Item 13: the best material which meets the requirements of Item 13 should be saved and re-used on the project instead of hauling in extra material when good material is already available. Due to unknown compositions, depths, and shrinkage factors, a quantity for topsoil is not provided. **Therefore, add to the end of Item 8 of the General Notes on Sheet 2 of the plans the following:**

**THIS WORK WILL NOT BE PAID FOR SEPARATELY BUT SHALL BE CONSIDERED INCIDENTAL TO EARTH EXCAVATION AND NO ADDITIONAL COMPENSATION WILL BE ALLOWED FOR THIS WORK.**

In addition, a copy of this cover letter is to be attached to any bid proposal returned by your company as proof of receipt thereof.

If you have any questions concerning this addendum please do not hesitate to contact this Department and speak with the County Engineer.

Very truly yours,

Nathan F. Schwartz, P.E.  
County Engineer
