

Preliminary Engineering Services Somonauk Road Culvert Extensions

Overview:

The DeKalb County Highway Department is in need of Phase I & II engineering services for the extension and related earthwork for five R. C. box culverts and one pipe culvert under Somonauk Road. The box culverts range in opening size from 3 feet x 3 feet to 8 feet x 5 feet while the pipe culvert has a 24" diameter opening. The locations of the culverts are between Perry Road and Keslinger Road, approximately 3 miles south of Cortland, IL.

Consultant Scope of Services:

Phase I & II preliminary engineering services are needed for all necessary work to prepare the plans, specifications and estimates (PS&E) package. Specific tasks include but are not limited to:

- Data collection and survey
- Environmental studies coordination
- Prepare contract plans and project special provisions/specifications
- Prepare estimates of cost and time
- Right of Way acquisition including Highway Plats and Legals

Phase I & II engineering are expected to be completed for a spring 2020 letting. The construction cost for this project is estimated to be \$450,000.

Project Parameters:

1. Preliminary Engineering will be funded with State MFT and County funds.
2. The prime firm must be IDOT prequalified in the following categories:
 - Structures: Highway-Typical
3. Construction will be funded with State MFT and County funds.
4. The construction contract will be awarded by DeKalb County.

Statements of interest are due by August 5, 2019 by 3:00 pm and may either be mailed to:

Mr. Nathan F. Schwartz, P.E.
DeKalb County Engineer
1826 Barber Greene Road
DeKalb, IL 60115

or sent via email to: highway@dekalbcounty.org

Shortlisted firms will be notified by mid-August 2019. A statement of qualifications will be requested from each shortlisted firm.
