

## **Preliminary Engineering Services Plank Road Widening**

**Overview:**

The DeKalb County Highway Department is in need of Phase I & II engineering services for the widening of Plank Road near Gerry Lane and Lukens Road located 2 miles northeast of Sycamore, IL in Sycamore Township.

**Consultant Scope of Services:**

Phase I & II preliminary engineering services are needed for all necessary work to receive Design Approval and to prepare the plans, specifications and estimates (PS&E) package.

Specific tasks include but are not limited to:

- Data collection and survey
- Environmental studies coordination
- Local coordination
- Prepare IDOT forms including the PDR
- Prepare contract plans and project special provisions/specifications
- Prepare estimates of cost and time
- Right of Way acquisition including Highway Plats and Legals.

Phase I & II engineering are expected to be completed for a spring 2022 letting. The construction cost for this project is estimated to be \$750,000.

**Project Parameters:**

1. Preliminary Engineering will be funded with local and MFT funds.
2. The prime firm must be IDOT prequalified in the following categories:
  - Highways (Roads & Streets)
3. The project is being developed assuming it will be eligible for federal funding.
