

NOTICE OF REMOTE COURT APPEARANCE OPTION Courtroom 100

The DeKalb County Court is expanding the use of remote access and virtual courtrooms to improve access to the court system. As part of this initiative, the Court is offering the option to appear remotely for your Misdemeanor or Traffic Court appearance.

Your in-person court appearance date is listed at the bottom of your ticket or the date listed on your bail bond. If you choose to appear in-person you should arrive at the DeKalb County Courthouse 15 minutes prior to your court time. You will be required to wear a mask to enter the building.

If you elect to appear remotely, your remote court appearance is scheduled on the same court date printed on your ticket or bail bond, starting 30 minutes later than the in-person court time listed. To participate in the virtual courtroom, use the below link or Meeting ID.

If your ticket is marked as payable without a court appearance (“May Appear”), you still have the option to pay your ticket without an appearance before the scheduled court date. To avoid appearing in court pay your ticket online at www.circuitclerk.org.
