Cost Avoidance

The Pre-Trial program was operational as of June 9, 2014.

From 6/9/14 - 12/11/15, 230 individuals were released from custody and placed on pre-trial supervision for a total of 34,681 days.

We can't definitively say the pre-trial program is the only element responsible for the release of those individuals, as other factors may be involved. However, prior to the implementation of the pre-trial program the court did not have the benefit of the bond investigation reports with verified information to include a risk assessment or the ability to order individuals released to report to the Pre-Trial Officers for supervision while out on bond.
