

BECKY SPRINGER  
DEKALB COUNTY TREASURER  
Administration Building  
110 East Sycamore Street  
Sycamore, IL 60178  
815-895-7112

FOR IMMEDIATE RELEASE  
August 31, 2021

DeKalb County Treasurer Becky Springer's office made the fourth distribution of DeKalb County real estate taxes on August 20, 2021.

Of the \$235,144,560.35 to be collected, \$137,368,508.89 or 58.42%, has been collected and distributed to date. The funds are distributed electronically, and tax distribution reports are available on the county's website.

"We have found electronic funds transfer to be a very efficient and cost-effective method of distributing taxes," says Springer. "It is also a convenience for the taxing bodies by saving them time and effort as their tax distributions are deposited directly into the bank accounts they specify. Their funds are available for their use sooner as well."

The Treasurer's office also makes tax distribution reports available on the Treasurer's Office page of the DeKalb County website. "This is beneficial for the taxing districts as they have access to their information before the distribution being made," continued Springer. "The information is then also available for auditors, bond companies, taxpayers, and others who may want to review."

Of that \$137,368,508.89, \$15,220,764.04 has been distributed to DeKalb County and Forest Preserve District, \$5,575,001.95 has been distributed to townships and township road and bridge districts, \$3,038,544.97 has been distributed to libraries, \$9,277,538.90 has been distributed to cities and villages. Fire districts have received \$2,997,688.90, and \$5,295,992.01 has been distributed to park districts. School districts have received \$82,785,698.79; community colleges have received \$8,231,306.00; TIF districts have received \$4,820,766.46; and drainage districts have received \$125,206.87.
