Route Co. Highway No. 7

1. Proposal of
for the improvement of the above section by the construction of
Replacement of the existing single span concrete slab bridge (SN 019-3006) over Battle Creek
with new single span concrete deck on steel beams with integral abutments bridge (SN 019-3074).

a total distance of 594 feet, of which a distance of 594 feet, (0.11 miles) are to be improved.

2. The plans for the proposed work are those prepared by Chastain & Associates LLC
and approved by the Department of Transportation on

3. The specifications referred to herein are those prepared by the Department of Transportation and designated as
"Standard Specifications for Road and Bridge Construction" and the "Supplemental Specifications and Recurring Special
Provisions" thereto, adopted and in effect on the date of invitation for bids.

4. The undersigned agrees to accept, as part of the contract, the applicable Special Provisions indicated on the "Check
Sheet for Recurring Special Provisions" contained in this proposal.

5. The undersigned agrees to complete the work within working days or by Friday Oct 31, 2014
unless additional time is granted in accordance with the specifications.

6. A proposal guaranty in the proper amount, as specified in BLRS Special Provision for Bidding Requirements and
Conditions for contract Proposals, will be required. Bid Bonds will be be allowed as proposal guaranty.
Accompanying this proposal is either a bid bond if allowed, on Department form BLR12230 or a proposal guaranty check,
complying with the specifications, made payable to:

County Treasurer of DeKalb

The amount of the check is ().

7. In the event that one proposal guaranty check is intended to cover two or more proposals, the amount must be equal to
the sum of the proposal guaranties, which would be required for each individual proposal. If the proposal guaranty check
is placed in another proposal, it will be found in the proposal for: Section Number 13-00239-00-BR

8. The successful bidder at the time of execution of the contract will be be required to deposit a contract bond for the
full amount of the award. When a contract bond is not required, the proposal guaranty check will be held in lieu therefore. If
this proposal is accepted and the undersigned fails to execute a contract and contract bond as required, it is hereby
agreed that the Bid Bond or check shall be forfeited to the Awarding Authority.

9. Each pay item should have a unit price and a total price. If no total price is shown or if there is a discrepancy between the
product of the unit price multiplied by the quantity, the unit price shall govern. If a unit price is omitted, the total price will
be divided by the quantity in order to establish a unit price.

10. A bid will be declared unacceptable if neither a unit price nor a total price is shown.

11. The undersigned submits herewith the schedule of prices on BLR 12200a covering the work to be performed under this
contract.

12. The undersigned further agrees that if awarded the contract for the sections contained in the combinations on
BLR 12200a, the work shall be in accordance with the requirements of each individual proposal for the multiple bid
specified in the Schedule for Multiple Bids below.

START AND COMPLETION DATE

After Notice to Proceed is issued and prior to starting of construction activities the Contractor is expected to submit all required documentation for review and/or approval. This documentation will include, but not limited to, shop drawings, catalog cuts and other construction related calculations or drawings requiring review and/or approval.

This project is scheduled for road closure and detour routing for a maximum of 82 calendar days. Full closure can begin July 7, 2014 and roadway must be open to traffic and all work completed on or before October 31, 2014.

PROGRESS SCHEDULE

Time is of the essence in this Contract. It may be necessary for the Contractor to work longer hours or use additional crews in order to complete the work within the required time limits. The Contractor shall submit a bar graph progress schedule for the Engineer's approval before the work can be started.

The schedule shall be based on an anticipated start date and for the project completion date as identified in the special provision for "START AND COMPLETION DATE".

CONTRACTORS STAGING AREA

Due to Battle Creek and limited right-of-way, the Contractor should be aware that the project site has limited space for stock piling and storage of materials, worker and equipment parking. The Contractor will not be allowed to stock pile, storage materials or park in the Battle Creek overbank or adjacent private property. Prior to starting any site activities, the Contractor will be responsible to visit the site to familiarize himself with these site conditions. The Contractor will be required to coordinate with the Engineer his plan for handling of materials to be stored on site and his worker and equipment parking. It may be necessary to arrange for this space outside the project limits. There will be no additional compensations for this coordination or if space is required for storage and/or parking outside the project limits.

DEFINITION OF TERMS

This special provision amends the provisions of Section 101 of the Standard Specifications for Road and Bridge Construction, adopted January 1, 2012, and shall be construed to be a part thereof, superseding any conflicting provisions thereof applicable to the work under the contract.

101.16 Engineer. Revise the third paragraph to read:

"The term Engineer shall apply to the awarding authority".

101.19 Inspector. Add the following paragraph after the first paragraph:
