

Preliminary Engineering Services Perry Road Bridge

Overview:

The DeKalb County Highway Department is in need of Phase I & II engineering services for the replacement of the Perry Road bridge (SN 019-3043) located 4 miles south of Cortland, IL in Pierce Township.

Consultant Scope of Services:

Phase I & II preliminary engineering services are needed for all necessary work to receive Design Approval and to prepare the plans, specifications and estimates (PS&E) package. This project is anticipated to be processed as a State Approved Categorical Exclusion. Specific tasks include but are not limited to:

- Data collection and survey
- Environmental studies coordination
- Prepare IDOT forms including the PDR
- Prepare contract plans and project special provisions/specifications
- Prepare estimates of cost and time

An environmental survey request is being submitted the first week of February 2022 by DeKalb County.

Phase I & II engineering are expected to be completed for a spring 2023 letting. The construction cost for this project is estimated to be \$500,000.

Project Parameters:

1. Preliminary Engineering will be funded with local funds only.
2. The prime firm must be IDOT prequalified in the following categories:
 - Structures: Highway-Typical
3. The County has secured STR-Br funding for construction.
4. The construction contract will be awarded by the Illinois Department of Transportation.

Statements of interest are due Monday, February 14, 2022 by 3:00 p.m. and may either be mailed to:

Mr. Nathan F. Schwartz, P.E.
DeKalb County Engineer
1826 Barber Greene Road
DeKalb, IL 60115

or sent via email to: highway@dekalbcounty.org.

Shortlisted firms will be notified by late-February 2022. A statement of qualifications and/or an interview will be requested from each shortlisted firm.
