

## **Preliminary Engineering Services Pritchard Road Bridge**

### **Overview:**

The DeKalb County Highway Department is in need of Phase I & II engineering services for the replacement of the Pritchard Road bridge (SN 019-5417) located one mile northeast of Hinckley, IL in Squaw Grove Township.

The project is expected to involve wetlands and flood plain.

### **Consultant Scope of Services:**

Phase I & II preliminary engineering services are needed for all necessary work to receive Design Approval and to prepare the plans, specifications and estimates (PS&E) package. This project is anticipated to be processed as a State Approved Categorical Exclusion. Specific tasks include but are not limited to:

- Data collection and survey
- Environmental studies coordination
- Prepare IDOT forms including the PDR
- Prepare contract plans and project special provisions/specifications
- Prepare estimates of cost and time
- Right of Way acquisition including Highway Plats and Legals.

An environmental survey request is being submitted the first week of February 2022 by DeKalb County.

Phase I & II engineering are expected to be completed for a January 2024 letting. The construction cost for this project is estimated to be \$1,250,000.

### **Project Parameters:**

1. Preliminary Engineering will be funded with local funds only.
2. The prime firm must be IDOT prequalified in the following categories:
  - Structures: Highway-Typical
3. The County has secured STR-Br funding for construction.
4. The construction contract will be awarded by the Illinois Department of Transportation.
