

**CEBiB Survey Data Analysis Request for Qualifications
Questions & Answers**

(This document will be updated when questions are submitted)

1) Are you willing to share the questionnaire?

Yes, a copy of the questionnaire is available upon request to Deanna Cada: dcada@dekalbcounty.org.

2) Was the questionnaire translated into Spanish and/or other languages? If so, is the data in those languages?

Yes, a questionnaire was translated into Spanish, and a small data response set is in Spanish.

3) Could you please clarify what is meant by identifying other data sources that supplement the survey? Do you want secondary or primary data sources or both? Do you want only DeKalb County data sources? Do you want mental health data sources only?

Other data sources may supplement the survey information, for example, the DeKalb County Health Department I-Plan (2017 – 2022) and the 2021 Community Health Needs Assessment, Northwestern Medicine Kishwaukee Hospital. Any other data sources should reflect DeKalb County, IL, specifically. Health and mental health data sources are preferred.

4) Do you want an in-person or Zoom presentation to the CEBiB and a written report?

A Zoom presentation and written report are preferred.
