The DeKalb County Treasurer's Office offers the option of paying your tax bill online through the robust property tax search engine and payment center application wEdge. "We are very pleased to be able to offer our taxpayers the convenience of paying their real estate taxes online through wEdge. Taxpayers have the option of paying with an e-check, a direct debit from their bank account. The online payment service provider charges a \$1.00 convenience fee for e-check payments.

The Treasurer's office also accepts Visa, Master Card, American Express, and Discover Card credit cards online and in the office as a means of payment for property taxes. We accept Visa and Master Card debit cards as well," Springer said. Please note that a convenience fee of 2.60%, which is charged by the credit card service provider, will be added for those wishing to charge their real estate taxes on their credit cards or debit cards. No portion of these fees is received by DeKalb County.

Online payments may be made by visiting DeKalb County's website at www.dekalbcounty.org. On the homepage, click on the box with "Pay My Property Tax" in big red text, search for your parcel, click the green "Pay Taxes" button, click on the shopping cart, and follow the checkout process.

Taxpayers may also pay their second installment taxes at most banks in DeKalb County during the bank's normal business hours, on or before the second installment due date. Taxpayers should bring the entire tax bill to the bank and put their parcel number on their check. Banks cannot accept payments after the September 5, 2023 due date.

If paying by mail, taxpayers should make the check payable to DeKalb County Collector.

Taxpayers should make sure to include their parcel number(s) on their check, and include their payment stub(s). They should make sure their check is signed, and that the numeric amount they have written matches the written-out dollar amount on the second line of their check. Treasurer Springer also reminds taxpayers paying by mail that payments should be postmarked on or before the second installment due date of September 5, 2023.
