Commander's Message

We are wrapping up 2025 and our work in the community continues to shine! We hit some major milestones throughout the year with many of the highlights coming from members pursuing their personal touches on ways to improve how Post #66 is engaged with the community. When good ideas go into action, great things happen!

We have also had Post #66 members move to warmer climates and closer to their families. We miss them dearly and hope to share stories of new experiences soon! A couple have stopped in while visiting their loved ones here in DeKalb, and it was great to see their smiling faces again. We wish nothing but the best for our Post family near and far. We are always eager to hear from you and we miss you all!

It is written in our Preamble, " To inculcate a sense of individual obligation to the community, state, and nation;" We thrive in this mission. The DeKalb American Legion Post #66 has gained many partners in the community because of the work we have done and continue to do. Establishing ourselves as a force to be reckoned with. The veteran community shows regular support to many local like-minded organizations that share the same visions as we do. We continue to invite organizations to walk along with us as we build the better tomorrow together. Collaborating and sharing ideas in the community and reinforcing loose ties.

With the love and support of our veteran community, we proudly continue, "To foster and perpetuate a one hundred percent Americanism; To preserve the memories and incidents of our association in all wars;..." These words we base our very existence on and build our future together in the DeKalb-land!

There is so much pride in the big picture as to why we are involved. It is not for the personal gain or recognition. It's not the accolades. It is for The Good of the Legion. Yesterday, today, and for the tomorrows that come. It is not done alone, or for the season. The veteran did not serve their country for that. To be part of the greater good and for the love of our country is a basic reason for service. Our community supporters feel the same and work side by side in our causes. This is why we are always seen working on future initiatives together.

I want to thank All of You for your continued passion and drive in keeping the DeKalb American Legion Post #66 a proud and active veteran organization in our community! We contribute when and where we can for as long as we can. It doesn't need to be all the time, every time, some of the time, most of the time. You are greatly appreciated when you give your time! It does not go unnoticed!

We are working on many initiatives you may want to be involved with for 2026. To find out the range of topics you may have a great idea for, or give insight, expertise, or a personal touch on, please consider attending a monthly meeting to hear it and get the information 1st hand. We would love to see your positive influence in the community in action! Bring a friend or family to join in the adventure!

God Bless America!

Trustee Report

Happy December! The busy month of November is behind us and we are moving on into the last month of 2025! Winter will be here and with it, the impending arrival of snow. Please be mindful of parking. Trucks and larger SUV's need to park on the east side of the lot, by the dumpster and the flag retirement pit. Smaller vehicles should park on the west side by our new sign or in front of the building. The patio furniture will be stored before it snows.

In November, five bags of flags were retired. The flags from the cemeteries were removed from the graves and we have 5 more bags of flags the need to be retired. The liquor license has been upgraded with the city. It now includes live entertainment. We had 3 big gatherings in November. Thank you, Ladies Auxiliary, for hosting Back Country Roads. Joe Cantafio provided a lively evening of music and stories at our Membership party. A Thanksgiving gathering was held; Thank you to all who contributed.

It's been a busy, productive year at the Post! Thank you to all who come in for a visit and a beverage! Our bartenders do an excellent job! We appreciate them!! Merry Christmas and Happy New Year!

From the Chaplain

"for there is born to you this day in the city of David a Saviour, who is Christ the Lord."
Luke 2:11

Christmas...it's the most wonderful time of the year. Family, Christmas music, Christmas stories, movies, and gift giving: these are a few of my favorite things. One of my favorite Christmas movies is "A Christmas Carol." A Charles Dickens classic tale about Ebenezer Scrooge, Bob Cratchit, Jacob Marley, the Ghosts of Christmas', and Tiny Tim. One year, Karen and I watched all the different movies on TV. From the original black and white to the Mr. Magoo cartoon. I think we saw 13 or 14 different movies that year. Not all at once! We also saw the play at the Goodman Theater in Chicago but not that same year.

To me this fabulous story is more than just entertainment. It's significant because Christmas is more than gifts on a particular day of the year. There is a deeper meaning to Christmas which was summed up nicely when the Cratchits were reading the Bible, and Scrooge hears the oldest boy read, "And He took a child, and set him in the midst of them." Christ was born and dwelt among us! Throughout the movie, Scrooge came to realize there was something greater beyond his own selfish life as he encountered "the least of these: the small, the broken, the children, the poor." This is a lesson we can all learn at Christmas time and year-round.

Merry Christmas! Christ was, and is, and is to come! See you at the Post.

Post 66 Chaplain.

Adjutant Update

I hope everyone is enjoying the fall weather. Winter will soon be here. Post membership currently stands at 58%. 113 members have renewed so far. Sons membership is at 43% with 19 members renewing.

Post 66 has a new member! Jeffrey DeKing, USMC. Be sure to extend a warm welcome to the newest member of our American Legion family.

My wife and I attended the monthly meeting of the DeKalb County Veterans Assistance Commission. For the month of October, the Commission helped with shelter for 13 veterans in

our county. 31 trips were taken to medical facilities for 34 veterans. The Commission is doing wonderful things for the veterans in DeKalb County. Be sure to visit them and say thank you.

Membership is an ongoing thing so please be sure to renew early. Invite a veteran who you know is not currently a member of Post 66 to join us. Post 66 is a dynamic one with many outreach programs and camaraderie.

Speaking of membership, if you should pay by leaving an envelope at the Post, please be certain that your name is spelled correctly and legibly on that envelope. If I can't read it, I can't renew the membership.

Once again, I thank you for your continued service,

Joe Hodder Jr

American Legion Auxiliary (ALA) Report

November was an incredibly busy time for the ALA! Just to remind everyone, the activities planned and supported by the ALA are purposely developed to incorporate our entire American Legion Family (Post, ALA, and SAL). As an AL Family, we can accomplish so much more! As they say, "a picture is worth a thousand words," so we hope that the pictures give you some insight into the activities.

November 8, Veterans Day Party at Post #66: Party planned by the ALA and catered by Fatty's through the donation of Curran Contracting. Good food, great music, and amazing attendees!

November 14, 15, 17, and 18, Sweets4Troops/Operation Support Our Troops: Candy from as far away as a school in Dundee was donated to our candy collection for Operation Support Our Troops to be included in stockings for Christmas as well as Comfort and Care Packages throughout the year for our troops serving in harm's way. On November 14th, Lincoln School invited the ALA and veterans from the post to join them in an annual event where we gratefully accept their donation from their Empowerment Club. This year, they collected more than 20,000 pieces of candy and multiple cards for the troops. ALA members with the assistance of our Post members visited each of the drop sites across DeKalb County on that day as well to bring the candy back to the Post to separate the chocolate from hard/chewy candies for shipment. On the 15th, a medley of volunteers from the ALA, the Post, and community got

together to separate the candy and box it for shipment. One truck and two SUVs were packed with the boxes of candy on the 17th, which were delivered to Operation Support Our Troops-America in Lisle, IL. on November 18th. The weigh in revealed that we delivered 1,626# of candy! In addition, Joe and Charlotte Hodder donated and delivered more than 60 dog Kongs for the service dogs working with our troops.

November 16, Feed My Starving Children: The ALA organized 28 volunteers to pack food for starving children around the world. The volunteers who packed for 2-hours were representative of the Post, the ALA, SAL, and family/friends. It was a meaningful and fun event!

November 22, Christmas Shopping for Veterans: Christmas shopping, led by the ALA Chaplain, Darla Massier, was completed for veterans who are at area Nursing Homes, Rehabilitation facilities, and rest homes. Those presents will be wrapped/bagged and delivered in December to our veterans in DeKalb County facilities.

GET READY! Saturday, December 6th, the ALA will be creating some beautiful Christmas wreaths from 10-12 which will be sold for $15 each on December 6th and 13th from Noon to 2 PM at the Post. The number of wreaths will be limited, so come early if you want one. You can pay with cash or check.
