Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions

If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value

$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value

$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions

If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption

If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value

$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value

$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption

If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value

$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions
$	55,440.00	Taxable Value
×	10.0000%	Total Tax Rates of All Taxing Districts (The tax rates of all taxing districts are shown on last year's tax bill)
$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions

$	5,544.00	Amount of Property Taxes Due

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.

Steps to Review and Appeal Your Property's Assessment

Step 1. Review your property's records	A detailed description and assessment records of all parcels within your township/multi-township are available in the township/multi-township office.
Step 2. Questions? Contact your assessor to discuss your property's assessment.	If you believe the full fair market value of your property is incorrect, or its assessed value is not uniform with other comparable properties in your area, or an error has been made, (*e.g.,* property characteristics), you should **first** talk to your township assessor. **Melody Monroe:** 14 S Prairie St., Cortland, IL 60112 Phone: (815) 756-6423 - call for appointment
Step 3. How to file an assessment appeal with the DeKalb Board of Review? **FILING DEADLINE** ***10-13-2026***	**Before filing an assessment appeal, an attempt should be made to review the details of your property with your local assessor.** If you are not satisfied with that informal review, you may appeal your assessment to the DeKalb County Board of Review. Appeals must be filed by the deadline (30 days after the publication date of the assessment changes by CCAO in the newspaper). If you file late, your appeal will not be heard. Board of Review complaint forms, rules and procedures are available in the office or online at www.dekalbcounty.org/BoardofReview DeKalb County Board of Review 110 E Sycamore St. Sycamore, IL 60178 Phone: (815) 895-7120 Web site address: www.dekalbcounty.org/BoardofReview
Step 4. Attend hearing	Your evidence will be reviewed at the board of review hearing. You may represent yourself or have an attorney represent you at the hearing. To have an attorney represent you, you must sign an authorization form giving him permission to do so.
Step 5. Notice of Final Decision by Board of Review	The Board of Review will mail you a notice of its final decision on the assessed value and publish a list of all final assessments on the county web site (www.dekalbcounty.org/BoardofReview), and certify assessed values (after equalization by the board of review) for the County Clerk to extend taxes for the collection of property taxes. You can determine from the final decision notice if you want to file a further appeal to the State Property Tax Appeal Board.

What is Market Value?

Your property's "full fair market value" is an estimate of the amount for which it could be sold on the open market. By law, all property, except farmland and coal, must be assessed at 331/3 percent of its fair market value (35 ILCS 200/9-145). Fair market value is determined based, in part, on market data, costs to rebuild a property, or the income a property can generate for its owner. Assessments are made as of January 1st. Because there are different opinions of value, the Property Tax Code (35 ILCS 200/1-55) requires that three years of property sales information be used to ensure all property is assessed at 331/3 percent of its fair cash value.

What is Equalized Assessed Value (EAV)?

Your property's current year's EAV is not final and may increase or decrease if changed by the Board of Review, or if a further equalization factor is needed by the Board of Review. The Property Tax Code requires that the Chief County Assessment Officer and/or the Board of Review apply an equalization factor if needed to all property (except for farmland and farm buildings), based on property sales data, to ensure that all properties are, on average, assessed at 331/3 percent of its fair market value.

The Property Tax Code also requires the Illinois Department of Revenue to certify for each county a final multiplier (equalization factor) to equalize assessments between counties. If the Department determines that all property in the county, on average, is assessed at 331/3 percent, the equalization factor is 1.0000. If properties, on average, are less than 331/3 percent, the Department certifies an equalization factor greater than 1.0000. If properties, on average, are greater than 331/3 percent, the Department certifies an equalization factor less than 1.0000.

Example: If your property's assessed value is $60,000 and the Board of Review determines that property in your area is under-assessed by 2.4 percent, the multiplier for your township of 1.0240. The revised value would be $61,440 ($60,000 X 1.0240). If the Dept. of Revenue issues a state multiplier of 1.0000, then your property's EAV is $61,440 ($61,440 x 1.0000).

How a tax bill is calculated: EXAMPLE ONLY – THIS IS NOT YOUR TAX BILL

$	61,440.00	EAV by Board of Review
–	0.00	Disabled Veterans Homestead Exemption and Homestead Improvement Exemption
$	61,440.00	Final EAV ($61,440 X 1.0000 state multiplier)
–	6,000.00	Other eligible Homestead Exemptions

Am I eligible for a Homestead Exemption?

You may be eligible for one or more of the following homestead exemptions if the property is your primary residence, you are liable for paying the property taxes, and, in some instances, meet additional qualifications. Contact the Chief County Assessment office with questions or go online at www.dekalbcounty.org.

General Homestead Exemption — $6,000 reduction in EAV.

Homestead Improvement Exemption — an additional amount, up to $25,000 reduction in assessed value for four years, if assessment increases due to a new improvement of an existing structure on homestead property or the rebuilding of residential structures following a catastrophic event.

Senior Citizens' Homestead Exemption — an additional $5,000 reduction in EAV if you are 65 years or older during the tax year.

Senior Citizens Assessment Freeze Homestead Exemption — an additional amount that freezes your property's EAV if you are 65 years or older and meet household income requirements.

Returning Veterans' Homestead Exemption — an additional $5,000 reduction in EAV the year that you return and the following year from an armed conflict. Please call our office with any questions.

Disabled Persons' Homestead Exemption — an additional $2,000 reduction in EAV if you meet disability requirements.

Accessibility Improvements to Residential Property – Accessibility improvements made to the residential property shall not increase the assessed valuation of the property for a period of 7 years after the improvements are completed.

Disabled Veterans' Homestead Exemption (specially adapted housing) — an additional reduction up to $100,000 if the Federal Government has approved payment to construct or modify your home if you are a disabled veteran with a service-connected disability.

Disabled Veterans' Standard Homestead Exemption — an additional reduction of $2,500 in EAV if you have a 30% to 49% service-connected disability certified by the U.S. Dept. of Veterans' Affairs; a $5,000 reduction in EAV if you have a 50%-69% service-connected disability and fully exempt on homestead property only if you have a service-connected disability of 70% or greater or were a member of US World War II Armed Forces.

Natural Disaster Homestead Exemption – A homestead exemption shall be granted by the Chief County Assessment Officer for homestead properties containing a residential structure that has been rebuilt following a natural disaster.

Note: You can receive only one of the disabled person's homestead exemption, disabled veterans' homestead exemption, or disabled veterans' standard homestead exemption for each tax year on your primary residence.
